be my teacher cast: **A Cast of Stones ()** Patrick W. Carr, 2013-02-01 2014 Carol Award

Winner for Speculative The Fate of the Kingdom Awaits the Cast of Stones In the backwater village of Callowford, roustabout Errol Stone is enlisted by a church messenger arriving with urgent missives for the hermit priest in the hills. Eager for coin, Errol agrees to what he thinks will be an easy task, but soon finds himself hunted by deadly assassins. Forced to flee with the priest and a small band of travelers, Errol soon learns he's joined a quest that could change the fate of his kingdom. Protected for millennia by the heirs of the first king, the kingdom's dynasty nears its end and the selection of the new king begins--but in secret and shadow. As danger mounts, Errol must leave behind the stains and griefs of the past, learn to fight, and discover who is hunting him and his companions and how far they will go to stop the reading of the stones. With an engaging, imaginative world that bristles with danger, characters that keep you guessing, and a story that sticks with you, *A Cast of Stones* will keep you devouring pages until the very end. I highly recommend it! --John W. Otte, author of *Failstate* Carr's debut, the first in a series, is assured and up-tempo, with much to enjoy in characterization and description--not least the homely, life-as-lived details. --Publishers Weekly This fast-paced fantasy debut set in a medieval world is a winner. Both main and secondary characters are fully drawn and endearing, and Errol's transformation from drunkard to hero is well plotted. Carr is a promising CF author to watch. Fans of epic Christian fantasies will enjoy discovering a new voice. Like the preceding series title, *Inescapable*, this tale of suspense offers a colorful cast of characters, small-town drama, and a hint of romance. A sure bet for fans of Hannah Alexander. --Library Journal [Good fantasy books] have to be excellent. Good storytelling and exceptional characters with circumstances that are easy enough to follow and wrap your brain around but keep you entertained and guessing... *Cast of Stones* has found itself firmly in that list of books. I absolutely, one hundred percent loved this book. --Radiant Lit

be my teacher cast: **Playing the Viola** David Dalton, 1989-11-30 `In all areas of human endeavour, time and again an individual appears who, due to a multitude of personal attributes, elevates his or her field to a hitherto unknown height. Such an individual was William Primrose. His name and the viola are synonymous.' Janos Starker This unique book is the result of a series of

conversations with Primrose in the last years before his death in 1982. David Dalton describes how he came to the great artist armed with every question he could think of pertaining to performing on and teaching the viola. The lively dialogue contains a wealth of illuminating advice for the student on the technicalities of playing the viola. It is, however, far more than a technical guide. The two violists discuss the unique position of their instrument - 'an instrument without tradition' is Primrose's bald description. They cover the topic of repertoire with fascinating insights into the performance of the great concertos by Bartók and Walton, with which Primrose was so closely associated. Still more invaluable advice emerges from the discussion of Primrose's own experience, on the art of performance, on demeanour on stage, on competitions, on recordings, and on preparing for a career. The book is a tribute to one of the greatest artists of this century.

For Joshua and for that matter for all of us, they are the way to understanding the harmony of our existence. The reflections are a gift that allow us to recognize our self and our selfless being within the harmony of our completeness.
