bible literature missionary foundation: *Biblical Eschatology*: Dr. Justin G. Prock, 2021-06-20

In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be Interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out

who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

bible literature missionary foundation: Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that

YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

bible literature missionary foundation: *Building Thereupon* Kyle F. Stephens, 2020-05-12 Christianity has become increasingly careless about Biblical truth, doctrine, and the Christian's testimony. Building Thereupon demonstrates how, after salvation, carefully laying steadfast doctrinal truths one upon another forms the proper structure for fruitful and victorious Christian living. The Bible admonishes believers to lay precept upon precept...line upon line. Christian faith and truth are to be built upon the firm Foundation, Jesus Christ. But what happens to faith if the first great truths are misunderstood? Building Thereupon offers an in-depth discussion of Biblical doctrine—the knowledge of the things that relate to God and to the Lord Jesus Christ. It shows that believers need to understand the details of their own salvation, or else be vulnerable to deception in other critical parts of the Christian life. The Lord gives truths intended for every Christian, and these truths better equip each child of God to realize steadfastness, maturity, and the will of God. Building Thereupon presents a convincing validation to earnest Bible believers, demonstrating that the body of correct Christian theology need not be rife with obscurity, contradiction, and inconsistencies. The great Biblical truths flow together, fit seamlessly, and fall into order when doctrine is believingly laid precept upon precept and line upon line.

bible literature missionary foundation: God Betrayed Jerald Finney, 2008-08 God Betrayed explains: (1) the biblical principles concerning government, church, and separation of church and state which one needs to know in order to understand the First Amendment and why it was adopted; (2) the history of the theological warfare in the colonies that eventually resulted in the adoption of the First Amendment; (3) how and why, soon after the ratification of the Constitution and the First Amendment, many churches subjected themselves to the state; (4) how the Supreme Court has used the First Amendment religion clause to remove God from practically all civil government affairs; (5) how civil government entices many churches to abandon their Supernatural and First Amendment freedoms; and (6) how churches in America can operate totally under God and free from any control by civil government. After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict, Jerald Finney worked for the railroad and then started and operated a photography studio in Fort Worth, Texas. He was saved in 1982. God called him to enter the legal profession. He entered the University of Texas School of Law in 1990, and was licensed to practice law in 1993.
