bible society online shop: *Jesus Is Trying To Get Your Attention* David Smith, 2014-12-16 Do you find it difficult to share your faith with acquaintances who have tuned out the gospel message because of unpleasant past experiences with religious goofballs or church legalism? This collection of brief articles about God's love for us is conversationally written to introduce skeptics, agnostics, and the un-churched to the concept of a saving, personal relationship with Jesus Christ. *Jesus Is Trying To Get Your Attention* makes a great gift for anyone who hungers for the truth yet is turned off by organized religion and church-ianity.

bible society online shop: *A Divine Light in a Dark World* Steven C. Randleas, 2005 There is much emphasis placed on the Gospel of Jesus Christ and the biblical commandment to share it with others. As Christians and evangelicals we are taught that we must share the gospel with others. The problem I find is that there is a great lack of understanding among Christian believers of what the real gospel is and an even greater lack of understanding of how to share it with someone else. Over the last 20 years of studying and researching the many models and methods of witnessing, I have found some to be good and some that were totally off the mark. Nothing I studied seemed to quite cover all the bases and often gendered more questions than answers. *A Divine Light in a Dark World* was written to address this issue. Within the pages of this book the reader will learn exactly what the real, true, and complete Gospel of Jesus Christ is and what it is not. The reader will also learn how to consistently and effectively share the gospel with someone else. *A Divine Light in a Dark World* will guide the believer in Christ in a real-time way of sharing their Christian faith properly and appropriately without fear or reservation.

Want to break away from choosing the same old favourites? Are you keen to learn about wine varieties and which will suit the right cuisine? *The Wine Pocket Bible* is filled with answers to everything that matters in the

world of wine, including: Which wines are best for meat and fish dishes? How do I interpret labels when buying wine? Which is the correct way to taste & describe wine? How do I make a classic champagne cocktail? How do I go about investing in and storing wine? This indispensable little guide will tell you what you need to know when you need to know it.

bible society online shop: Alternative Voices Oliver Freiburger, Magnus Echlert, Afe Adogame, 2013-07-17 When scholarship presents the histories, belief systems, and ritual patterns of specific religious groups, it often privileges victorious and elite fractions of those communities to the detriment and neglect of alternative, dissonant, and resurgent voices. The contributions in this volume, which include case studies on various religious and academic contexts, illustrate the importance of listening to those alternative voices for the study of religion.

bible society online shop: How to do Mission Action Planning Mike Chew, Mark Ireland, 2016-06-16 Gives the reader the benefit of many years' experience of putting MAP into practice. 'This is a must-read for anyone using MAP.' JOHN DUNNETT, DIRECTOR OF STRATEGY AND OPERATIONS AT THE CHURCH OF ENGLAND EVANGELICAL COUNCIL How to Do Mission Action Planning (SPCK, 2009) was the first book to appear on the MAP process, at a time when it was beginning to have a significant impact. In this fully revised and expanded edition, the authors offer further critical evaluation and theological reflection, by drawing on the experiences of people who have been using the MAP process in different contexts from their own: Fr Damian Feeney, parish priest and Catholic Missioner of Lichfield diocese Canon David Banbury, leader of Parish Mission Support, Blackburn diocese The Rt Revd Dr Alan Smith, Bishop of St Albans Dr Stephen Hance, Canon Missioner of Southwark diocese Linda Rayner, the United Reformed Church co-ordinator for Fresh Expressions

bible society online shop: Unearthing Family Tree Mysteries Ruth A. Symes, 2016-07-31 The intriguing characters in these real family history mysteries include an agricultural labourer who left secrets behind in Somerset when he migrated to Manchester, a working-class woman who bafflingly lost ten of her fourteen children in infancy, a miner who purportedly went to live with the Red Indians and a merchant prince of the Empire who was rumoured to have two wives. This book shows how a variety of sources including birth, marriage and death certificates, censuses, newspaper reports, passports, recipe books, trade directories, diaries and passenger lists were all used to uncover more, and how much can be detected by setting the characters from your family tree in their proper historical backgrounds. This book is an updated edition of Ruth Symes previous book, titled Stories From Your Family Tree: Researching Ancestors Within Living Memory (2008).

bible society online shop: Watching the World Change David Friend, 2009-02-03 The terrorist attack on the World Trade Center was the most universally observed news event in human history. That the event was so visual is owing to the people who, facing disaster, took photographs of it: imperiled office workers, horrified tourists, professional photographers risking their lives. Conceived by Osama bin Laden as the toppling of an image of America right before the world's eyes, the tragedy swiftly came to be defined by photography, as families posted snapshots of their loved ones, police sought terrorists' faces on security-camera videotapes, and officials recorded the devastation and identified the dead. In Watching the World Change, David Friend tells the stories

behind fifty of the images that altered our sense of our world forever—from the happenstance shots taken by bystanders as the first tower was struck to the scene of three firemen raising the Stars and Stripes at the site. He tells unforgettable stories of photographers and rescuers, victims and survivors. He shows how advances in television, digital photography, and the Internet produced an effect whereby more than two billion people saw the terrible events as they happened. He explores the controversy about whether images of 9/11 are redemptive or exploitative; and he shows how photographs help us to witness, to grieve, and finally to understand the unimaginable.

bible society online shop: The First 10,000 Days - the Silent Years of Jesus Christopher Halls, 2005-10-11 The First 10000 days is a biblical and historical investigation into the hidden years of Jesus' life, the 30 years before he began his ministry. Drawing extensively upon the Old Testament - the scriptures Jesus knew and loved - our knowledge of first century Judaism and life in Israel at the time, we can begin to put together the pieces of the puzzle - what might life for Jesus have been like? This background material is woven together with New Testament insights about his early life, and the first believers' experiences of the power of the Holy Spirit. Since the time of the early church, people have been naturally curious about the person of Jesus - his feelings and thoughts as he grew up. The The First 10000 days speaks to that longing - and also takes care to caution us about what can and cannot be known. Through the incarnation, Jesus was made like us; he knows what it is like to confront difficulties and situations similar to those we face. As Christians, we must guard against the error of docetism, the view that Christ only appeared to be a human being. In the same way that he became aware of his own unique identity, message and mission, so too can those of us in Christ discover our call and purpose in life. The First 10000 days is written as a 30 day devotional guide suitable for both individual and group study. Each day concludes with questions for discussion and reflection.

bible society online shop: I Am Not a Victim, I'm a Ministry Gift Linda J. Waiters, Evangelist Linda J. Waiters, 2005 This book, a testimony of the author's life experiences permitted by God, is simply God's predestined release of just one of many tools specifically designed to awaken His Church from its state of apostasy. As the author unveils Satan's strategic plan to abort her God ordained destiny to preach, the fundamentals of apostasy which not only worked against her but continue to work against the true Church of today are also revealed. Evangelist Waiters meticulously contrasts the activation of spiritual gifts, such as dreams of Hell in her childhood, versus satanical attacks like molestation, racial struggles, voodoo, betrayals, addictions, promiscuity, and abortion designed to destroy her even before she received Christ and recognized the call on her life. God delivered her from the jaws of death several times. After receiving Christ and being gloriously baptized in the Holy Ghost, she records experiences in church which promoted Satan's plan of destruction more so than God's plan of redemption. She shares events which ultimately led her back into cycles of destruction including internet dating. Nevertheless, her testimony serves as God's heart cry and warning to clergy worldwide against the mishandling of His children seeking Him as their refuge. Eventually, God's grace brings her to the realization that she is not the vessel of dishonor she resigned herself to be, but that she was systematically being trained and qualified to sound an alarm to the Body of Christ. Consequently, this book exposes the workings of the spirit of Jezebel which operates hand-in-hand with apostasy. Satanic snares and contracts are exposed, along with explanations as to why Believers remain bound and ineffective, through the discussion of false prophets, greed, tradition and idolatry. The author concludes by extending hope to readers through the discussion of salvation and why we need Jesus Christ to save us.

bible society online shop: Religious Freedom Gerhard Besier, Olaf Lange, Ilkka Huhta, 2019-05 Restrictions with respect to religious freedom have been in place in authoritarian states for a number of years. We can observe a new period of co-operation between authoritarian states and state churches. Some churches have assumed a clearly political position, even in belligerent conflicts, by justifying wars, criminalizing their religious competitors and, thereby, exploiting the Christian Gospel for non-Christian purposes. In this volume, scholars from Europe and North America discuss the core objective of religious freedom in the West and East seeking measures to

encourage religions to act and interact, independent of deliberate political stances - to maintain their distance from territorial governments and to strengthen the principle of religious freedom and, thereby, their own denomination as well.

bible society online shop: The Nordic Bible Marianne Bjelland Kartzow, Kasper Bro Larsen, Outi Lehtipuu, 2023-09-05 The volume offers a new critical reflection on the use of the Bible in contemporary cultural and political debates in the Nordic countries. In Nordic Lutheran societies, the Bible has been perceived as a basis of religion and social cohesion. Whereas such religious and confessional factors are well-researched vis-à-vis the historical genesis of the Nordic welfare states, the focus here is on public use of the Bible in debates of today.

bible society online shop: Praying God's Heart Alvin VanderGriend, Dr. , 2013-11-19 Praying God's Heart is for anyone who wants to be more effective in intercession—praying for others and for God's kingdom to advance. Its 30 short chapters offer a thorough yet concise treatment of important issues related to intercessory prayer. Among the topics are: • The role of Father, Son and Holy Spirit in intercession • The listening side of prayer • Praying kingdom prayers • The relationship of obedience to answered prayer • The power of praying scripture • The prayer of faith "No generation has ever had as much knowledge about world conditions and problems as our," says Alvin VanderGriend in Praying God's Heart. "Along with that knowledge comes a responsibility to pray far and wide for the establishment of God's plan and purposes." Praying God's Heart will teach you how to more effectively come alongside God's purposes for your family, friends, church and world as you learn to intercede for what is on His heart.
