craig groeschel leadership: *Lead Like It Matters Workbook* Craig Groeschel, 2022-08-16 In this workbook companion to the book Lead Like It Matters, discover the trick to keeping the momentum going in your church, ministry, or organization. It has been rightly said that Jesus is the hope of the world. While we can never argue against the importance of the power of the risen Son of God, it is also true that the local church is the hope of the world. After all, the church is the body of Christ. Jesus manifested himself through the church. And we, as the church, are chosen and called by God to be light in the darkness and give hope to the hopeless. For this reason, it is critical for the body of Christ--both pastors and laypeople alike--to learn how to lead like it matters. In this study

guide, which accompanies the book of the same name, pastor and bestselling author Craig Groeschel shares what he has learned in more than twenty-six years of leading LifeChurch. The church began in a borrowed two-car garage, with ratty furnishings and faulty audiovisual equipment, but people were drawn there because they sensed a powerful, life-changing force that Craig calls it. While exactly what it is can be difficult to define, Craig reveals seven factors that contribute to it (or at least don't kill it): Sessions include: Vision Divine Focus Unmistakable Camaraderie Innovative Minds Willingness to Fall Short Hearts Focused Outward Kingdom-Mindedness Craig also unpacks three important realms that every leader must master: (1) prioritizing mindset over model, (2) creating systems that empower it, and (3) finding a balanced way to lead to stay centered around it. While adopting these seven factors and realms will not guarantee a church will have that it factor, it will certainly lead that church toward it. It will help all of us lead like it matters.

craig groeschel leadership: Winning the War in Your Mind Workbook Craig Groeschel,

2021-06-15 In this twelve-lesson workbook, pastor and New York Times bestselling author Craig Groeschel pairs modern psychology and biblical teaching to reveal how to win the war in your mind and restore daily peace in your life. What you think shapes who you are. If your thoughts are out of control, your life will be as well. Both the Bible and modern science provide evidence that this is true. In recent years, a discipline of psychology called cognitive behavioral therapy has gained popularity. This discipline is rooted in an understanding that many problems--from eating disorders to relational challenges, addictions, and even some forms of depression--are rooted in negative patterns of thinking. Treating those problems begins with changing that thinking. This has many parallels with Scripture. In Paul's letter to the Philippians, he writes about turning our thoughts to certain types of things (truth, purity, loveliness...) and putting them into practice so that we experience God's peace. In this workbook, Craig goes deeper into the principles outlined in his book (sold separately) to reveal the strategies he has discovered that will change your mind and, by extension, your life for the long-term. Each lesson includes biblical exploration, reflection and application questions, and practical exercises to help you: Gain insight into how your brain works and how your thoughts affect your reality. Identify your destructive thought patterns and eliminate them from your life. Become a thought warrior and replace the enemy's lies with God's truth. God has something better for your life than your old ways of thinking. It's time to change your mind so God can change your life.

in Christ. Many of us live for the approval of others. We let the world decide who we are, or we look to those around us to discover who we think we'd like to be. The problem is that living for what people think of you is the quickest way to forget what God thinks of you. In *Altar Ego*, pastor and author of *Winning the War in Your Mind* Craig Groeschel will show you how to sacrifice your broken ideas of approval-based identity on the altar of God's truth and become who you were meant to be in Christ. You'll learn how to: Expose false labels and selfish motives. Live according to God's higher values with a deeper confidence in His calling. Trade in your broken ego and unleash your "altar" ego as a living sacrifice to Him. Understand how God continuously shapes you into His vision of you. Once you know your true identity and are growing in Christ-like character, then you can behave accordingly with bold behavior, bold prayers, bold words, and bold obedience. *Altar Ego* reveals who God says you are, and then calls you to live up to it. Rather than living a timid, halfhearted, shallow cultural Christianity, you'll boldly live in the confidence of the God who believes in you.

craig groeschel leadership: Great Leaders Always Follow Rob Fontenot, 2018-02-16 Introducing the paradox: the greatest leaders are often recognized for their characteristics and competencies. We have seen many leaders with the right characteristics, the right competencies, and the attention of the press who have fallen from the pedestals they were placed on. The real key to a sustainable legacy of great leadership is not only about how well you lead, it is about how well you follow. This is the paradox of great leadership: who, what, and how you follow will determine your leadership legacy. Whether you are a CEO or frontline employee, it is critical to understand how this paradox will impact your personal leadership journey.

But there is another way: servant leadership. Servant leaders lead by serving their people, not by exalting themselves. This collection features forty-four renowned servant leadership experts and practitioners—prominent business executives, bestselling authors, and respected spiritual leaders—who offer advice and tools for implementing this proven, but for some still radical, leadership model. Edited by legendary business author and lifelong servant leader Ken Blanchard and his longtime editor Renee Broadwell, this is the most comprehensive and wide-ranging guide ever published for what is, in every sense, a better way to lead. "Renowned expert Ken Blanchard with Renee Broadwell have assembled the insights of dozens of successful leaders in their new book *Servant Leadership In Action*. I doubt you will find any book or course on leadership that delivers a more on-target message of the essential element critical to being a truly great leader. Get a copy. Read it. Be it." —Miami Herald "A comprehensive and inspiring book presented as a servant leadership primer, action plan and how-to guide, then concludes with proof of effectiveness and inspiration to go forward. The wide-ranging yet related topics covered in *Servant Leadership In Action* is part of what makes the book so valuable. I am sure it will quickly become a must-have resource for leaders, both emerging and established." —Being Fully Present
