Understanding the Purpose of Hypothetical Questions for Mom

Hypothetical questions for mom are designed to engage mothers in imaginative thinking and reflection about situations that may not occur in everyday life but encourage deeper thought. These questions

often challenge conventional perspectives and invite moms to consider alternative realities or outcomes. The primary purpose is to open channels of communication that go beyond routine inquiries, allowing for more meaningful exchanges. Hypothetical questions also serve as tools for learning about a mom's values, beliefs, and decision-making processes, which can be particularly valuable in strengthening family relationships. Furthermore, these questions can inspire emotional connection by prompting moms to share stories, dreams, and ideas that might otherwise remain unspoken.

Categories of Hypothetical Questions for Mom

Hypothetical questions for mom can be grouped into various categories depending on the themes and topics they explore. Understanding these categories helps in selecting appropriate questions for different contexts and objectives. The following are common categories:

- **Family and Relationships:** Questions that revolve around family dynamics, parenting styles, and relationship values.
- **Life and Career Decisions:** Scenarios that explore choices related to work, education, and personal development.
- **Personal Preferences and Imagination:** Questions that delve into a mom's likes, dislikes, and creative imagination.
- **Ethical and Moral Dilemmas:** Situations that challenge a mom to evaluate ethical considerations and moral beliefs.
- **Future and Hypothetical Changes:** Questions about future possibilities, changes in society, or personal life transformations.

Family and Relationships

This category includes hypothetical questions that focus on familial roles, parenting philosophies, and interpersonal dynamics within the family unit. These questions help reveal how a mom perceives her role and relationships with other family members.

Life and Career Decisions

Questions in this category explore hypothetical situations related to career paths, educational decisions, and life-changing moments. They provide insight into a mom's aspirations and decision-making framework.

Personal Preferences and Imagination

This category invites moms to share their preferences, favorite experiences, or creative ideas, highlighting their personality and imagination in a lighthearted manner.

Ethical and Moral Dilemmas

Hypothetical ethical questions challenge moms to think critically about right and wrong, justice, and fairness, offering a window into their moral compass.

Future and Hypothetical Changes

These questions encourage moms to envision future scenarios, societal transformations, or personal changes, fostering forward-thinking and adaptability.

Examples of Hypothetical Questions for Mom

Providing concrete examples helps illustrate the range and depth of hypothetical questions that can be posed to moms. Below are categorized examples that can be adapted based on context and interest.

Family and Relationships Questions

- If you could relive one family moment, which would it be and why?
- What would you do if you found out your child made a big mistake but didn't want to tell you?
- If you could give your younger self one parenting tip, what would it be?

Life and Career Decisions Questions

- If you had the chance to switch careers without any risks, what would you choose?
- How would your life be different if you had pursued a different educational path?
- If you could live in any decade of your life again, which would you choose and why?

Personal Preferences and Imagination Questions

- If you could live in any fictional world, which one would you pick?

- What would you do if you woke up one day with a superpower?
- If you could instantly master any skill, what would it be?

Ethical and Moral Dilemmas Questions

- If you witnessed someone stealing to feed their family, how would you react?
- Would you tell a white lie to protect someone's feelings?
- If you had to choose between saving a stranger or a loved one in danger, what would you do?

Future and Hypothetical Changes Questions

- If you could see 10 years into the future, what would you want to know?
- How would you change your lifestyle if you won a large sum of money?
- If technology could solve one problem in the world, what should it be?

Benefits of Asking Hypothetical Questions to Mom

Engaging moms with hypothetical questions offers multiple benefits that enhance interpersonal communication and emotional understanding. These advantages extend to both the questioner and the

respondent, creating a mutually enriching experience.

Stimulates Critical Thinking and Imagination

Hypothetical questions encourage moms to think beyond conventional boundaries and explore creative solutions or perspectives. This mental exercise promotes cognitive flexibility and problem-solving skills.

Enhances Emotional Connection

By sharing thoughts on hypothetical scenarios, moms and their family members foster empathy and deeper emotional bonds. These conversations can reveal personal values and feelings that strengthen relationships.

Facilitates Difficult Conversations

Sometimes, hypothetical questions provide a less confrontational way to discuss sensitive topics. They allow moms to express opinions or concerns without the pressure of direct personal implication, easing communication barriers.

Encourages Self-Reflection

Answering hypothetical questions helps moms reflect on their beliefs, experiences, and aspirations. This introspection can lead to personal growth and increased self-awareness.

Provides Entertainment and Engagement

These questions can also serve as a fun and engaging activity during family gatherings or casual conversations, promoting laughter and enjoyment while learning about each other.

Tips for Using Hypothetical Questions in Conversations with Mom

To maximize the effectiveness of hypothetical questions for mom, certain strategies should be followed. These tips ensure that the questions lead to productive and positive interactions.

Choose Appropriate Questions

Select questions that fit the context, mood, and sensitivity of the conversation. Avoid overly controversial or uncomfortable scenarios unless the relationship allows for open and honest discussion.

Listen Actively

Show genuine interest in your mom's answers by listening attentively and asking follow-up questions. This demonstrates respect and encourages more detailed responses.

Encourage Openness

Create a safe and non-judgmental environment where your mom feels comfortable sharing her thoughts freely without fear of criticism.

Balance Seriousness with Fun

Mix serious hypothetical questions with lighthearted ones to maintain an enjoyable conversation flow and prevent the dialogue from becoming too heavy.

Use Hypothetical Questions as Conversation Starters

Employ these questions to initiate discussions that can lead to broader topics, allowing for deeper understanding and connection over time.

Frequently Asked Questions

What are some fun hypothetical questions to ask my mom to learn more about her?

You can ask questions like, 'If you could live in any era of history, which one would you choose and why?' or 'If you won a million dollars tomorrow, what's the first thing you would do?' These questions can spark interesting conversations and help you learn more about her personality and dreams.

How can hypothetical questions improve my relationship with my mom?

Hypothetical questions encourage open and imaginative conversations, allowing both of you to share thoughts and feelings in a playful and non-judgmental way. This can deepen understanding, build trust, and create memorable bonding moments.

What is a good hypothetical question to ask my mom about her childhood?

A good question might be, 'If you could relive one day from your childhood, which day would it be and why?' This invites her to share meaningful memories and stories that you might not have heard before.

Can hypothetical questions help moms reflect on their life choices?

Yes, hypothetical questions like 'If you could give your younger self advice, what would it be?'

encourage reflection and can lead to meaningful discussions about life lessons and personal growth.

What are some lighthearted hypothetical questions to ask my mom for fun?

Try questions such as 'If you were a superhero, what powers would you have?' or 'If you could instantly master any skill, what would it be?' These questions keep the mood light and entertaining while sparking creativity.

How do hypothetical questions help in understanding my mom's values and priorities?

Hypothetical scenarios often reveal what a person values most. For example, asking 'If you had to choose between career success and family time, which would you prioritize?' can provide insights into her core beliefs and priorities.

Additional Resources

1. What If Mom Could Answer Any Question?

This book invites readers to explore imaginative and thought-provoking hypothetical questions directed at moms. It encourages deep conversations and bonding through playful scenarios that challenge everyday assumptions. Perfect for family gatherings or quiet moments, it sparks creativity and empathy in both children and adults.

2. Mom, What Would You Do If...?

A collection of intriguing hypothetical questions designed to reveal a mother's wisdom, humor, and perspective. Each question invites moms to consider unexpected situations, helping families understand each other better. The book serves as a fun tool for fostering communication and reflection within the household.

hypothetical questions for mom: *I Am Mommy* Susan Hughes, 2007-06-01 The author was immersed in her career. She had prepared for years for this time in her life - she was financially independent and moving step by step up the corporate ladder. That was the true definition of success . . . or so she thought. Then it happened - marriage. Then it happened - pregnancy. Then it happened - REDEFINITION! Susan Hughes explores well below the surface of the working mom vs. stay-at-home mom debate using her humorous though deeply honest recollection of the birth of her son and the challenges and joys that followed. She takes us on her journey from manager to Mommy that left her knowing, without a doubt, that motherhood is the most important and most powerful job there is. The undeniable truths presented within make a convincing argument that kids, not career, should be a mother's top priority.

hypothetical questions for mom: Humor for a Mom's Heart Various, 2002-09 Being a mom is a roller-coaster ride of exhilarating joys and pull-out-your-hair frustrations. Sometimes a sweet infusion of humor is just what you need to lift your heart to new heights, to heal the hurts of a bad day, or to instill your soul with inspiration. Samplings from some of your favorite authors -- including Patsy Clairmont, Martha Bolton, Dave Meurer, Nancy Kennedy, and many more -- will energize any worn-out mom and remind you of the joys of motherhood. Take a deep breath, inhale the joy, soak up the merriment, and you'll surely find that your heart is lighter, your day brighter, and your soul hilariously refreshed.

hypothetical questions for mom: The desires in you: Erotic poems Ruby Benedict, 2024-10-07 This is an adult ebook that has just published and it is primarily erotica romance, this is told from different perspectives and these poems have no rhyme. Each rendezvous has a such a unique story and the way each story is expressed and told as well as being able to visualize the passionate filled moments being shared.

hypothetical questions for mom: *In Light of All Darkness* Kim Cross, 2023-10-03 Paced like a thriller and full of insider information, this book embeds readers in one of the most famous true-crime stories of our generation—the kidnapping of Polly Klaas. On October 1, 1993, a 12-year-old girl was kidnapped at knifepoint from her bedroom in Petaluma, California, during a sleepover with two friends, while her mother slept soundly in the room next door. This rarest of all kidnappings—a stranger abduction from the home—triggered one of the largest manhunts in FBI history. New York Times bestselling author Kim Cross has written the first comprehensive account of what happened on that fateful night in October, as well as how the case forever transformed the Bureau's approach to solving crimes. With unprecedented access to case files, crime scene photos, a videotaped murder confession, and inside sources, *In Light of All Darkness* follows the investigators

who pieced together the evidence that led to the arrest and conviction of the kidnapper—and made the victim a household name and a girl who will never be forgotten.

hypothetical questions for mom: Delta Collection Special Edition Cristin Harber, 2017-11-17 The Delta Collection Special Edition boxed set includes three complete, bestselling romantic suspense stories (DELTA: RETRIBUTION, REVENGE, AND REDEMPTION) plus excerpts from DELTA: RESCUE and DELTA: RICOCHET. DELTA: RETRIBUTION A MAN IS NOTHING WITHOUT HIS TEAM Trace Reeves was one bad day from a dishonorable discharge. The best the Navy SEALs had to offer, he became a vengeful, angry mess when his twin brother was killed-in-action. Now he's focused on a deadly obsession and unable to cope with the pain and guilt... except one time, in the arms of a one night stand that he'd never see again. She was smart, the sexiest thing he'd ever touched, but she disappeared into the night. Titan Group was recruiting for their Delta team. They wanted ghosts. No ties. Nothing personal. The best of the best who could live off the grid and surface when commanded. Trace was the perfect recruit. Damaged. Heroic. Nothing to lose. UNTIL A MISSION--OR A WOMAN--CHANGES EVERYTHING But when Trace's one-time fling becomes his high-value target during a black ops job, the lines blur between her rescue mission and saving himself. DELTA: REVENGE A Tortured Hero with a Heart of Gold Growing up on the streets of Rio de Janeiro, Javier Almeida has only his older sister to protect him. When she's sold to a human-trafficker, he vows to hunt down those responsible. Years later, Titan Group's Delta team finds him, tattooed and brawling, a vigilante protector with information they want. They take him in and train him, working him harder than a man should be driven, until he's a soldier harboring an obsession. Ready for revenge, Javier ghosts his way across the globe, tracking the men who took his sister and working elite private security jobs. Meets Sweet and Sassy Jilted at the altar, Sophia Cole turns the reception into a one-woman party. She's intent on devouring all the cake and champagne, so she can bask in the calories she's been avoiding. In the midst of the revelry, he walks in, the one man she can never ignore. Javier is her older brother's black ops teammate--an automatic Do Not Go There. But if there's one thing better than fondant and a buzz to ease the wounds of a cheating fiancé, it might be a one-night stand with a South American military man. It's a Game Changer Javier didn't expect to see Sophia again. He never thought he would even want to see her again. He shouldn't have touched her, but his mind won't stay away from her. Now, Sophia Cole is thousands of miles away from the safety of her parents' lavish estate and working alongside him in hell. She's a staffer at an Embassy, and he's there to keep them alive. There are bombs and bullets and blood-hungry enemies. And then she's taken. Gone. Just like his sister. But so much worse. DELTA: REDEMPTION My name's Victoria--No last name. Don't ask. That was all that the woman would share when Delta team's expert trigger man, an Australian named Ryder, pulled her from the pits of a human trafficking nightmare and took the gun from her hand. He didn't mean to steal her revenge but survival was the priority. Now that Victoria was home? She had a past he was trying to understand while still keeping a secret from her. But he's not the only one. When she goes missing, Delta team discovered that Victoria No Name was a one-woman vigilante force, taking on whoever crossed her path, from gunrunners to a drug-pushing motorcycle club. She was exactly who Ryder thought she might be, and now he was coming in to help--whether she wanted backup or not. PLUS EXCERPTS FOR DELTA: RESCUE and RICOCHET!

hypothetical questions for mom: 30 Years of Hindsight Robert Paul, 2019-05-08 Robert Paul had a best friend... (The boy-girl with the dangling earring), they were truly best friends. They used to live walking distance away and would hang out all the time. But times change as people do and people move as well...geographically. Robert did not see his friend as much as he used to but they stayed in touch. They considered each other brothers. Every time they would meet Robert would have a new story for his Brother...One day his Brother yelled at him and told him to just shut up. He then went on to tell Robert that he simply had too many stories to hear at one time and that he needed to write them down and then he would read them. That is exactly what he did and this is what he came up with, there is no word of lie in anything he wrote even though he was extremely intoxicated while writing. There is much more to be told.

hypothetical questions for mom: HADES: Stephanie and the Merciless Reaper Theodora Taylor, 2022-04-26 I was born a few moments after midnight on January 1st. On my 21st birthday, my father throws me the most lavish New Year's Eve birthday party Baton Rouge has ever seen—then he tells me I'm a woman now, and that means I belong to a man he owes a blood debt. No, not a man. A demon who feeds on my family's pain and suffering. Especially mine. His name is Hades Fairgood. But he is neither good nor fair. He's the twisted ruler of a biker underworld, and everything my dead mother warned me to avoid. Dirty rich, stupid hot, and merciless. There's not even a smidge of human left in his bitter, vengeful heart. I find that out the particularly cruel way when he renames me Persy--short for Persephone and has PROPERTY OF HADES tattooed across my back. So that I never forget... I'm his possession now. He owns me, mind, body, and soul. He's a needlessly beautiful monster who I must escape. Of course, I must. It's just... The longer I'm with him, the more confusing it becomes. Is he a merciless monster or a wounded man in need of love? My love? It doesn't matter. It shouldn't matter either way. I just hope I can escape his wrath before he ruins me.

hypothetical questions for mom: Make Me a Mother Susanne Antonetta, 2014-02-17 Relates how the author and her husband adopted a six-month-old boy from South Korea and the lessons they had to learn as parents, including how to incorporate aspects of another culture and how to discuss birth parents with their son.

hypothetical questions for mom: SWERVE: The Strange Turns of a Backslider Claudette McIntosh, 2018-06-09 The biography of a 29 year old woman disgruntled after a long period of depression and promiscuity. Tired of feeling like she was the only one who had been where she had gone. She walks through her journey of molestation, teen pregnancy, marriage, divorce, depression and so much more; all while attending church every Sunday pretending to be okay.

hypothetical questions for mom: Delta: Revenge Cristin Harber, 2016-04-26 A Tortured Hero with a Heart of Gold Growing up on the streets of Rio de Janeiro, Javier Almeida has only his older sister to protect him. When she's sold to a human-trafficker, he vows to hunt down those responsible. Years later, Titan Group's Delta team finds him, tattooed and brawling, a vigilante protector with information they want. They take him in and train him, working him harder than a man should be driven, until he's a soldier harboring an obsession. Ready for revenge, Javier ghosts his way across the globe, tracking the men who took his sister and working elite private security jobs. Meets Sweet and Sassy Jilted at the altar, Sophia Cole turns the reception into a one-woman party. She's intent on devouring all the cake and champagne, so she can bask in the calories she's been avoiding. In the midst of the revelry, he walks in, the one man she can never ignore. Javier is her older brother's black ops teammate—an automatic Do Not Go There. But if there's one thing better than fondant and a buzz to ease the wounds of a cheating fiancé, it might be a one-night stand with a South American military man. Game Changer Javier didn't expect to see Sophia again. He never thought he would even want to see her again. He shouldn't have touched her, but his mind won't stay away from her. Now, Sophia Cole is thousands of miles away from the safety of her parents' lavish estate and working alongside him in hell. She's a staffer at an Embassy, and he's there to keep them alive. There are bombs and bullets and blood-hungry enemies. And then she's taken. Gone. Just like his sister. But so much worse.

hypothetical questions for mom: The Fault at the Center Sharon Rybak Portugal, 2002-04-09 The Fault at the Center is a candid, lyrical coming-of-age novel that tells the story of Sandy Fischer, an American girl growing up in the beautiful yet violence-ridden Guatemala of the 1960s and '70s. Sandy, a resilient and very observant girl, must face the many dilemmas emerging from the disintegration of her Jewish-Catholic home. Suddenly abandoned by their father and left to fend for themselves, the four Fischer girls and their mother no longer have a safe and clear place in their adopted homeland. While still perceived as expatriates, as gringas, the Fischers must do their best to find their way in local society. Little by little, Sandy finds herself adapting to the prim, Catholic, seemingly safe world of señoritas. But what is the price, particularly for a girl growing into womanhood, of belonging in such a rigid and fearful world--of forcing oneself not to fully register the

violence that is steadily intensifying in the country? And given a choice, will Sandy leave her adopted homeland or stay? The Fault at the Center is, at the same time, an invention and a memoir, a reflection upon the narrator's own distant/near relationship with her Guatemalan past.

hypothetical questions for mom: English for Business Communication Mable Chan, 2020-01-06 This textbook provides a comprehensive introduction for students and professionals who are studying English for business or workplace communication and covers both spoken and written English. Based on up-to-date research in business communication and incorporating an international range of real-world authentic texts, this book deals with the realities of communication in business today. Key features of this book include: use of English in social media that reflects recent trends in business communication; coverage of the concept of communicative competence; analysis of email communication; introduction to informal English and English for socialisation as well as goodwill messages, such as thank you or appreciation messages, which are a part of everyday interaction in the workplace; examination of persuasive messages and ways to understand such messages; an e-resources website that includes authentic examples of different workplace genres and a reference section covering relevant research studies and weblinks for readers to better understand the topics covered in each chapter. This book goes beyond the traditional coverage of business English to provide a broad and practical textbook for those studying English in a workplace setting.

hypothetical questions for mom: The Mediator's Toolkit, Second Edition Gerry O'Sullivan, 2025-06-10 The acclaimed guide to formulating and asking penetrating, paradigm-shifting mediation questions to successfully resolve conflict, now completely revised and updated. Knowing how to formulate and ask incisive questions is essential for effective mediation and conflict resolution. The Mediator's Toolkit, Second Edition, is the proven, practical guide to formulating and posing powerful questions that get to the core of an issue, challenge entrenched thinking, and shift perspectives. This fully revised edition delivers advanced techniques while leveraging the latest neuroscientific research and psychological concepts to help mediation practitioners and participants gain increased insight. Readers will benefit from a comprehensive analysis of the newly updated S Questions Model, a process-driven conceptual framework which takes a deep dive into the four key dimensions of building impactful and robust mediation questions: subject matter, structure, seeking information and shifting-thinking. The resulting toolkit includes: The scientific theories and concepts underpinning each aspect of the model Safe and productive approaches for effectively managing blame, addressing toxic language, navigating highly charged emotions, encouraging effective listening, getting to underlying interests, and creating empowerment Detailed background, use cases, examples, hazard warnings and key learnings for numerous categories of neutral, exploratory questions including those based on neurolinguistic programming, cognitive elements, journeys of inference, distinction and difference and many more. This indispensable reference will radically sharpen, focus, and improve the dispute-resolution strategies and communication skills of qualified mediators and facilitators, students, lecturers, trainers, and anyone using questions to challenge assumptions, foster connectedness, and effect change in any context.

hypothetical questions for mom: The SAGE Encyclopedia of Theory in Counseling and Psychotherapy Edward S. Neukrug, 2015-02-12 The SAGE Encyclopedia of Theory in Counseling and Psychotherapy is a two-volume source that traces theory and examines the beginnings of counseling and psychotherapy all the way to current trends and movements. This reference work draws together a team of international scholars that examine the global landscape of all the key counseling and psychotherapy theories and the theorists behind them while presenting them in context needed to understand their strengths and weaknesses. This is a quick, one-stop source that gives the reader the who, what, where, how, and why of contemporary counseling and psychotherapy theory. From historical context in which the theories were developed to the theoretical underpinnings which drive the theories, this reference encyclopedia has detailed and relevant information for all individuals interested in this subject matter. Features & Benefits: Approximately 335 signed entries fill two volumes available in a choice of print or electronic formats. Back matter includes a Chronology of theory within the field of counseling to help students put individual theories within a broader

context. A Master Bibliography and a Resource Guide to key books, journals, and organizations guide students to further resources beyond the encyclopedia. The Reader's Guide, a detailed Index and the Cross References combine for effective search-and-browse in the e-version and helps students take the next steps in their research journeys. This reference encyclopedia serves as an excellent source for any individual interested in the roots of contemporary counseling and psychotherapy theory. It is ideal for the public and professionals, as well as for students in counselor education programs especially those individuals who are pursuing a Masters level degree.

hypothetical questions for mom: *Family Therapy* John B Burnham, 2002-11 In this classic text, Burnham introduces a wide range of concepts, skills and applications from a systemic approach to the growing field of family therapy.

hypothetical questions for mom: Embodied Family Choreography Marjorie Goodwin, Asta Cekaite, 2018-03-28 Embodied Family Choreography documents the lived and embodied practices employed to establish, maintain, and negotiate intimate social relationships in the family, examining forms of control, care, and creativity. Making use of the extensive video archives of family interaction in the US and Sweden, it presents the first investigation of how touch and interaction between bodies, in conjunction with talk, constitute a primary means of orchestrating activities through directives, thus creating rich relationships through supportive interchanges, and engaging in playful explorations of the world. Through close investigation of the sequential and simultaneous engagement of bodies interacting with other bodies, this book makes visible the important role touch plays in the context of contemporary Western middle class family life and is pioneering in its analysis of how the visual, aural, and haptic senses (usually analysed separately) mutually elaborate one another. As such, Embodied Family Choreography will appeal to scholars of child development, the sociology of the family and ethnomethodology and conversation analysis.

hypothetical questions for mom: *Surrounding Free Will* Alfred R. Mele, 2015 This cutting-edge volume showcases work supported by a four-year, 4.4 million dollar project on free will and science. In fourteen new articles and an introduction, contributors explore the subject of free will from the perspectives of neuroscience; social, cognitive, and developmental psychology; and philosophy (both traditional and experimental).

hypothetical questions for mom: *Springtime in Savannah* Gail Ann Warner, 2012-04 It seemed a normal spring morning in Savannah until Jonathan Rayburn heard an angelic voice on Monterey Square. Within moments of setting eyes upon the exceptionally beautiful Keri McGuire, he welcomed her to his beloved city and into his heart. In the days ahead, his faith is severely tested because of one homeless man and a civil lawsuit. Daniel Stanton, a busy attorney in St. Augustine, arrived at Mrs. Quinn's home, questioning why his father's client has requested his legal advice. One portrait upstairs caught his attention; one nearly identical portrait in the music room captured his wishful thoughts. Never in his life had he been so disappointed when he actually met the granddaughter from Milwaukee. While Laura Martin challenged his ethics, he prayed to be a man of conviction.

hypothetical questions for mom: *Holding Her Close* Lexi Ryan, 2016-01-19 An actress in danger. A bodyguard on a mission. A passion neither can resist. She's everything he detests about Hollywood. After spending my entire acting career being cast as the airhead, I finally have the serious role I've been dying for, and I screw it all up during a four martini dinner with my ex. Now, thanks to the morality clause in my contract, I might lose the role of a lifetime. My only hope is to convince the media (and my eccentrically conservative director) that I've entered a committed relationship. But when I use my brother's costume party to launch Operation Fake Fiancé, I end up in front of the camera with the wrong guy, leaving my reputation—and the fate of my career—at his mercy. Any other guy I could sweet talk into playing the supporting role I need, but not Officer Cade Watts. Not the man who hates everything about me. Not the man who would most revel in seeing me fail. He's everything she needs. I don't care how good it felt to have her in my arms. I don't care that I can't close my eyes without remembering the way she tastes or the sound of her moan. I want nothing to do with Janelle Crane. Her scheme to fake an engagement to save her own career is

exactly the kind of manipulative Hollywood crap I left LA to escape. But when her fan mail turns threatening and the tragedies befalling her former co-stars seem to be anything but coincidence, everything changes. Now I don't just want to play the part of Janelle's fake fiancé, I demand it. I won't let my jaded heart cost me another case. I may not trust Janelle but I do care, and the only way I know she's safe is if I'm holding her close.

hypothetical questions for mom: The Three Books of Shama Kwakye, Benjamin, 2016-06-14 Spanning multiple continents and countries, including Rwanda, the United States, and Ghana, *The Three Books of Shama* is an epic chronicle of the fictional life story of Rwandan-born Shama Rugwe, from her survival of the Rwandan genocide to her migration to the United States and her eventual nomination to the United States Supreme Court. All hell breaks loose following her nomination, with the ensuing Senate confirmation hearings and the opposition to her nomination exposing stubborn xenophobic beliefs, as well as gender, racial, and religious biases.
