

political cartoon vietnam war

political cartoon vietnam war imagery played a crucial role in shaping public opinion during one of the most contentious conflicts of the 20th century. These cartoons offered a powerful medium for commentary on the complexities, controversies, and emotions surrounding the Vietnam War. Through satire, symbolism, and artistic expression, political cartoons captured the sentiments of the American public, the government, and anti-war protesters alike. This article explores the historical context of political cartoons during the Vietnam War, analyzes key themes and notable examples, and examines their influence on public perception and political discourse. By understanding the role of these cartoons, one gains insight into how media and art intersected with politics during this turbulent era. The following sections will delve into the origins, characteristics, and lasting impact of political cartoon vietnam war illustrations.

- Historical Context of Political Cartoon Vietnam War
- Key Themes in Vietnam War Political Cartoons
- Notable Political Cartoonists and Their Works
- Impact on Public Opinion and Political Discourse
- Legacy and Modern Interpretations

Historical Context of Political Cartoon Vietnam War

The Vietnam War, spanning from the late 1950s to 1975, was a complex and divisive conflict that drew widespread attention worldwide. Political cartoons emerged as a significant form of visual commentary during this period, reflecting the growing tensions and shifting attitudes toward the war. As the United States became increasingly involved in Vietnam, media outlets, including newspapers and magazines, published cartoons that provided critical perspectives on government policies, military strategies, and social unrest.

Rise of Political Cartoons in the 1960s and 1970s

During the 1960s and 1970s, political cartoons gained prominence as tools for dissent and critique. The escalation of U.S. military involvement under Presidents Kennedy, Johnson, and Nixon coincided with a surge in anti-war sentiment. Cartoonists captured the contradictions and controversies of the war, including issues such as the draft, civilian casualties, and the credibility gap between the government and the public. These cartoons often appeared in influential publications like *The New York Times*, *The Washington Post*,

and *Time Magazine*, reaching a broad audience.

Media Environment and Censorship

The media environment of the Vietnam era was marked by a tension between freedom of expression and government censorship. While the Pentagon Papers and televised coverage brought raw images of war into American homes, political cartoons provided a more interpretive and symbolic form of critique. Cartoonists navigated these constraints to deliver poignant messages that questioned official narratives and highlighted the human cost of the conflict.

Key Themes in Vietnam War Political Cartoons

Political cartoon vietnam war imagery focused on several recurring themes that illustrated the multifaceted nature of the conflict and its impact on American society. These themes helped distill complex political and social issues into accessible visual commentary.

Critique of Military Strategy and Leadership

Many cartoons depicted U.S. military leaders and government officials as inept, deceitful, or indifferent to the realities on the ground. The portrayal of generals and politicians often emphasized the perceived futility and mismanagement of the war effort, reflecting widespread skepticism and frustration.

Anti-War Sentiment and Protest Movements

Political cartoons frequently illustrated the growing anti-war movement, highlighting protests, draft resistance, and civil disobedience. Imagery of young Americans opposing the war, clashing with authorities, or refusing military service underscored the generational divide and societal unrest during the Vietnam era.

Human Cost and Moral Ambiguity

Cartoonists addressed the tragic consequences of the war, including the loss of life, destruction, and ethical dilemmas faced by soldiers and civilians alike. These representations often evoked empathy and moral questioning, challenging audiences to reconsider the justification and consequences of continued conflict.

International and Political Implications

Some cartoons expanded their critique to include Cold War politics, the role of the Soviet Union and China, and the broader implications of American interventionism. This thematic approach connected the Vietnam War to global ideological struggles and foreign policy

debates.

Notable Political Cartoonists and Their Works

Several influential cartoonists left an indelible mark on the political cartoon vietnam war genre, using their art to shape public dialogue and historical memory.

Herblock (Herbert Block)

Herblock, a Pulitzer Prize-winning editorial cartoonist, was renowned for his sharp criticism of government policies during the Vietnam War. His cartoons often depicted President Lyndon B. Johnson and military leaders with biting satire, emphasizing the human and political costs of the war.

Bill Mauldin

Bill Mauldin, a two-time Pulitzer Prize winner known for his World War II cartoons, produced poignant Vietnam War cartoons that conveyed soldiers' experiences and the absurdity of war. His work resonated with both military personnel and civilians.

Pat Oliphant

Pat Oliphant's cartoons offered incisive commentary on the Vietnam conflict, blending humor with harsh critique. His use of symbolism and caricature highlighted government deception and the disillusionment of the American public.

Examples of Iconic Cartoons

- Cartoons depicting the "living room war" and media coverage
- Images of the "Napalm Girl" and anti-war protests
- Satirical representations of the draft and conscientious objection
- Caricatures of political leaders such as Nixon and Johnson

Impact on Public Opinion and Political Discourse

Political cartoon vietnam war illustrations played a vital role in influencing public opinion and framing political discourse during the conflict. By distilling complex issues into

powerful visuals, these cartoons helped shape perceptions and foster debate.

Shaping Anti-War Sentiment

Cartoons contributed to the growth of anti-war sentiment by exposing contradictions and moral questions about the war. Visual satire made the realities of the conflict more relatable and accessible, encouraging skepticism toward official narratives.

Influencing Policymakers and Media

Political cartoons not only reached the general public but also caught the attention of policymakers and media professionals. Their ability to encapsulate criticism in a memorable format pressured leaders to confront public dissatisfaction and reconsider strategies.

Encouraging Civic Engagement

By highlighting social and political issues, Vietnam War cartoons motivated citizens to engage in activism, protest, and dialogue. They served as a catalyst for democratic participation during a period of national turmoil.

Legacy and Modern Interpretations

The legacy of political cartoon vietnam war artwork endures in contemporary political satire and historical scholarship. These cartoons remain a valuable resource for understanding the era's complexities and the role of visual media in political communication.

Continued Relevance in Media and Education

Modern cartoonists and educators draw upon Vietnam War political cartoons to illustrate the power of satire and the impact of media on public opinion. Museums, archives, and academic studies preserve these works as cultural artifacts.

Influence on Contemporary Political Cartoons

The techniques and themes pioneered during the Vietnam War era continue to influence political cartoonists addressing current conflicts and social issues. The use of symbolism, caricature, and pointed critique remains a cornerstone of the medium.

Reflection on War and Politics Through Art

Political cartoons from the Vietnam War era invite ongoing reflection on the ethical and political dimensions of war. They serve as a reminder of the importance of critical media and artistic expression in democratic societies.

Frequently Asked Questions

Yes, major newspapers such as The Washington Post, The New York Times, and various

magazines regularly published political cartoons critiquing the Vietnam War.

What visual techniques were commonly used in Vietnam War political cartoons?

Cartoonists used exaggeration, symbolism, caricature, and irony to convey their messages powerfully and succinctly.

Did political cartoons differ in their portrayal of the Vietnam War internationally?

Yes, cartoons from different countries reflected varied perspectives, with some emphasizing anti-imperialism and others focusing on the conflict's geopolitical aspects.

How did censorship impact political cartoons about the Vietnam War?

While some cartoons faced censorship or backlash, many political cartoonists pushed boundaries to provide candid critiques despite potential risks.

Can political cartoons about the Vietnam War still be relevant today?

Absolutely, these cartoons offer historical insight into public opinion and government policy, serving as educational tools and reminders of the war's complexities.

Additional Resources

1. Drawing the War: Political Cartoons and the Vietnam Conflict

This book explores how political cartoons shaped public perception during the Vietnam War. It analyzes the work of prominent cartoonists and the symbolism they used to critique government policies and military actions. The book also discusses the role of satire in influencing anti-war sentiment in the United States.

2. Ink and Irony: Vietnam War Cartoons in American Media

A comprehensive collection and analysis of Vietnam War political cartoons published in major American newspapers and magazines. The author examines how cartoonists used humor and irony to challenge official narratives and highlight the complexities of the war. This book also provides historical context for understanding the cartoons' impact on public discourse.

3. Lines of Protest: Political Cartoons and the Anti-Vietnam War Movement

Focusing on the anti-war movement, this book showcases cartoons that fueled protests and activism against the Vietnam War. It reveals how artists captured the emotions of the era, from disillusionment to outrage. The book includes interviews with cartoonists who played key roles in the movement.

4. *Satire and Strife: The Vietnam War Through the Cartoonist's Lens*

This title delves into the nuanced ways cartoonists addressed the Vietnam War, balancing satire with serious critique. It highlights the tension between supporting troops and opposing the war itself, as represented in political cartoons. The book also discusses censorship and the limits of free expression during wartime.

5. *Cartooning Conflict: Visual Commentary on the Vietnam War*

An illustrated history of political cartoons related to the Vietnam War, this book traces the evolution of visual commentary from early involvement to the war's aftermath. It features rare and unpublished cartoons, alongside expert commentary on their artistic and political significance. The book underscores cartoons as a powerful form of political communication.

6. *Voices in Ink: The Political Cartoonists of the Vietnam Era*

Profiling key political cartoonists active during the Vietnam War, this book provides insight into their personal backgrounds, motivations, and creative processes. It examines how their work influenced public opinion and policy debates. The book also includes a gallery of iconic cartoons and reflections from the artists themselves.

7. *The War in Caricature: Political Cartoons and the Vietnam Conflict*

This work offers a critical study of caricature techniques used to depict political figures and events related to the Vietnam War. It discusses the power of exaggeration and symbolism in shaping public attitudes toward leaders and military strategies. The book contextualizes these cartoons within the broader media landscape of the time.

8. *Protest Lines: Political Cartoons and the Struggle Over Vietnam*

Examining the role of political cartoons in the broader struggle over U.S. involvement in Vietnam, this book highlights how cartoonists both reflected and influenced political debates. It covers a range of perspectives, from hawkish support to dovish opposition, showcasing the medium's diversity. The book also explores the ethical challenges faced by cartoonists during the conflict.

9. *Behind the Pen: The Untold Stories of Vietnam War Cartoonists*

This narrative-driven book uncovers the personal and professional challenges faced by cartoonists covering the Vietnam War. Through interviews and archival research, it reveals the risks, censorship, and controversies surrounding their work. The book provides a humanizing look at the artists behind some of the most impactful political cartoons of the era.

political cartoon vietnam war: The Vietnam War Louise I. Gerdes, 2005 Following the U.S.

invasion of Iraq, some scholars began to draw comparisons to U.S. involvement in Vietnam, re-igniting the debate over the Vietnam War. In the following chapters the cartoonists in this volume present their views on the Vietnam War as it unfolded: Taking Steps Toward War, Going to War: The Johnson Years, The Long Road to Peace: The Nixon Years, and The Legacy of the Vietnam War.

political cartoon vietnam war: *Political Cartoon Content During the Vietnam War Tet Offensive* Danica Jill Rigoli, 1992

political cartoon vietnam war: American Animated Cartoons of the Vietnam Era Christopher P. Lehman, 2014-01-10 In the first four years of U.S. involvement in the Vietnam War (1961-64), Hollywood did not dramatize the current military conflict but rather romanticized earlier ones. Cartoons reflected only previous trends in U.S. culture, and animators comically but patriotically remembered the Revolutionary War, the Civil War, and both World Wars. In the early years of military escalation in Vietnam, Hollywood was simply not ready to illustrate America's contemporary radicalism and race relations in live-action or animated films. But this trend changed when US participation dramatically increased between 1965 and 1968. In the year of the Tet Offensive and the killings of the Rev. Martin Luther King, Jr., and Senator Robert Kennedy, the violence of the Vietnam War era caught up with animators. This book discusses the evolution of U.S. animation from militaristic and violent to liberal and pacifist and the role of the Vietnam War in this development. The book chronologically documents theatrical and television cartoon studios' changing responses to U.S. participation in the Vietnam War between 1961 and 1973, using as evidence the array of artistic commentary about the federal government, the armed forces, the draft, peace negotiations, the counterculture movement, racial issues, and pacifism produced during this period. The study further reveals the extent to which cartoon violence served as a barometer of national sentiment on Vietnam. When many Americans supported the war in the 1960s, scenes of bombings and gunfire were prevalent in animated films. As Americans began to favor withdrawal, militaristic images disappeared from the cartoon. Soon animated cartoons would serve as enlightening artifacts of Vietnam War-era ideology. In addition to the assessment of primary film materials, this book draws upon interviews with people involved in the production Vietnam-era films. Film critics responding in their newspaper columns to the era's innovative cartoon sociopolitical commentary also serve as invaluable references. Three informative appendices contribute to the work.

political cartoon vietnam war: *Gene Basset's Vietnam Sketchbook* Thom Rooke, 2015-09-11 In 1965, Gene Basset, a well-known political cartoonist, was sent to Vietnam by his newspaper publishing syndicate. His assignment: to sketch scenes of the increasingly controversial war in order to help the newspaper-reading public better understand the events occurring in Southeast Asia. In much the same way that M.A.S.H. gave viewers an irreverent, wry view of war and its devastating effects on citizens as well as soldiers, Basset's sketches portray the everyday, often mundane, aspects of wartime with an intimate touch that eases access to the dark subject matter. In this affectionately curated collection, author, doctor, and longtime friend of the artist, Thom Rooke, deftly leads us through more than eighty of Basset's cartoons, organizing his insights according to the well-known stages of grief, from denial to acceptance, and demonstrating how Basset's images convey moments of trauma, coping, and healing. From scenes of American GIs haggling with Vietnamese street vendors to a medic dressing the wounds of a wide-eyed soldier, Basset's endearing sketches and Rooke's friendly prose humanize life during wartime. The seriocomic vignettes and analyses are delivered with wit, compassion, and subtle charm sure to please academic, artistic, and casual readers alike.

political cartoon vietnam war: *Editorial Cartoon Awards 1922-1997* Heinz-D. Fischer, 2011-04-20 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917. Nowadays there are prizes in 21 categories from the fields of journalism, literature and music. The Pulitzer Prize Archive presents the history of this award from its beginnings to the present: In parts A to E the awarding of the prize in each category is documented, commented and arranged chronologically. Part F covers the history of the prize biographically and bibliographically. Part G

provides the background to the decisions.

political cartoon vietnam war: American Political Cartoons Sandy Northrop, 2017-07-05 From Benjamin Franklin's drawing of the first American political cartoon in 1754 to contemporary cartoonists' blistering attacks on George W. Bush and initial love-affair with Barack Obama, editorial cartoons have been a part of American journalism and politics. *American Political Cartoons* chronicles the nation's highs and lows in an extensive collection of cartoons that span the entire history of American political cartooning. Good cartoons hit you primitively and emotionally, said cartoonist Doug Marlette. A cartoon is a frontal attack, a slam dunk, a cluster bomb. Most cartoonists pride themselves on attacking honestly, if ruthlessly. *American Political Cartoons* recounts many direct hits, recalling the discomfort of the cartoons' targets and the delight of their readers. Through skillful combination of pictures and words, cartoonists galvanize public opinion for or against their subjects. In the process they have revealed truths about us and our democratic system that have been both embarrassing and ennobling. Stephen Hess and Sandy Northrop note that not all cartoonists have worn white hats. Many have perpetuated demeaning ethnic stereotypes, slandered honest politicians, and oversimplified complex issues.

political cartoon vietnam war: American Republic to 1877, Interpreting Political Cartoons McGraw-Hill Staff, 2002-06 Contains 36 reproducible activity pages, each including one political cartoon, short summary of the issue being addressed, and questions for analysis and critical thinking.

political cartoon vietnam war: Political Punchlines: The Best Political Cartoons Tracey D. Way, 2024-12-16 Experience the raw power of political art in *Political Punchlines: The Best Political Cartoons*. This striking collection showcases how artists wield their pens as weapons of truth, creating images that cut through rhetoric to expose the heart of contemporary politics. From presidential portraits to global conflicts, from social movements to economic crises, these masterful works capture the defining moments of our era. Each carefully selected cartoon demonstrates the unique ability of visual satire to communicate complex ideas instantly, transcending language barriers and cultural divisions. Featuring works by both renowned and emerging artists, this collection celebrates those who dare to challenge power through art. These visual journalists don't just document history – they help shape it, using humor and artistic skill to spark crucial conversations about democracy, justice, and power. This remarkable anthology serves as both a historical record and a testament to artistic courage. In an age of viral memes and digital manipulation, these hand-drawn commentaries maintain their authentic power to provoke thought, inspire action, and illuminate truth. What you will find in this book: Masterful political cartoons that shaped public opinion and influenced political outcomes Behind-the-scenes insights into the artistic process and decision-making Analysis of visual metaphors and symbolic language in political art Powerful commentary on presidential politics, global affairs, and social movements Exploration of how political cartoonists navigate censorship and controversy Examination of how digital media has transformed political cartooning Collection of works that document defining political moments Deep dive into the evolution of political cartoon styles and techniques

political cartoon vietnam war: Aircraft Nose Art Andretta Schellinger, 2016-03-14 Since World War I, nose art has adorned military aircraft around the world. Intended for friendly rather than enemy eyes, these images--with a wide range of artistic expression--are part of the personal and unit histories of pilots and aircrews. As civilian and military attitudes and rationales for war change from one conflict to the next, changes can also be seen in the iconography of nose art. This analysis from a cultural perspective compares nose art in the United States, Great Britain and France from World War I, World War II, the Korean War and the Vietnam War.

political cartoon vietnam war: Presidential Humor: A Collection of the Funniest Anecdotes and Jokes by American Presidents Pasquale De Marco, Laughter and politics may seem like an unlikely pairing, but throughout history, presidents have used humor to connect with the public, defuse tensions, and even achieve political goals. From the witty remarks of Abraham Lincoln to the self-deprecating jokes of Ronald Reagan, presidential humor has taken many forms. This book is a

celebration of the lighter side of the presidency, a collection of the funniest anecdotes and jokes told by American presidents. From laugh-out-loud one-liners to hilarious mispronunciations and off-the-cuff remarks, these stories offer a glimpse into the personalities of our nation's leaders and the ways in which they have used humor to navigate the challenges of the presidency. Inside, you'll find: * Hilarious quips and zingers from presidents past and present * Unforgettable gaffes and blunders that will make you laugh out loud * Witty jokes and anecdotes about political opponents, the campaign trail, and the White House itself * Presidential parodies, impersonations, and cartoons that poke fun at the presidency * Humorous stories and anecdotes from presidential press conferences, interviews, and speeches Whether you're a history buff, a political junkie, or simply someone who enjoys a good laugh, this book is sure to entertain and delight. So sit back, relax, and prepare to see the presidency in a whole new light. This book is a must-read for anyone who loves presidential history, humor, or both. It's also the perfect gift for anyone who needs a good laugh. If you like this book, write a review!

political cartoon vietnam war: *Facets of the Vietnam War in American Media* Heinz-Dietrich Fischer, 2019 This volume assembles Vietnam War-related stories by twenty Pulitzer Prize laureates - reporters, cartoonists, photographers and book authors - about various phases and aspects of the fightings. There are articles about the origins of the conflict, shocking reports from the combat zones or disclosures of American war crimes; there are book portions re President Nixon's war conduct, anti-war demonstrations in Washington or the death of soldiers; there are cartoons expressing U.S. illusions about alleged war successes or the loss of thousands of casualties; and there are pictures showing Vietnamese civilians facing the war: family members fleeing across a river or children escaping from a war zone after napalm bombings.

political cartoon vietnam war: *Amazing Social Studies Activities* Mercedes M. Fisher, Bonita Coleman, Jennifer R. Neuhauser, 2005 Teachers are responsible for delivering, selecting, and implementing learning activities for their classrooms. They must consider the best approaches to engage their students as well as to meet the school's standards in instruction. Here is a practical how-to book to supplement the social studies curriculum. It places at the teacher's disposal, hundreds of classroom-tested activities that build learner support and interest in Social Studies (grades 6-12) content while at the same time being quick and low-cost to implement. Many of the lessons and activities can be easily adapted to existing lessons and may serve as a bridge to younger generations of learners. Both experienced and brand new teachers can benefit from this book.

political cartoon vietnam war: *Charles Johnson's Spiritual Imagination* Jonathan Little, 1997 In this first book-length study of Charles Johnson's work, Jonathan Little offers an engaging account of the artistic growth of one of the most important contemporary African American writers. From his beginnings as a political cartoonist through his receipt of the National Book Award for Middle Passage, Johnson's imagination has become increasingly spiritual. Little draws upon a wide array of sources, including short stories, interviews, reviews, articles, and cartoons, as he traces the brilliant achievement of this provocative artist who is very much at the height of his career. Charles Johnson's *Spiritual Imagination* begins with an analysis of Johnson's political cartoons from the late sixties and early seventies, when he was immersed in the Black Power Movement. Little shows that in these early cartoons one can already see Johnson's comic genius and his quest for unconstrained artistic freedom even when dealing with the highly charged issues of racial politics. By examining how Johnson incorporates the influences of phenomenology, Zen Buddhism, Taoism, Hinduism, and Romanticism into a strikingly original perspective on individual and social identity, Little chronicles Johnson's development. The book illuminates the progression of Johnson's aesthetics as he deals with the at times disturbing contrast between the hope offered by art and spirituality and the harsh realities of African American existence. As he situates Johnson within the tradition of African American literature, Little pairs each of his novels with a major precursor, including novels by Richard Wright and Ralph Ellison, and such far-ranging sources as Hermann Hesse's *Siddhartha* and the *Ten Oxherding Pictures*. These comparisons help to show Johnson's innovations within the African American literary tradition and include discussions of naturalism, realism, and modernism.

This book will appeal to anyone interested in African American literature, spirituality, aesthetics, and the culture wars.

political cartoon vietnam war: Asian Political Cartoons John A. Lent, 2023-01-27 2023
CHOICE Outstanding Academic Title 2024 Eisner Award Nominee for Best Academic/Scholarly Work
In Asian Political Cartoons, scholar John A. Lent explores the history and contemporary status of political cartooning in Asia, including East Asia (China, Hong Kong, Japan, North and South Korea, Mongolia, and Taiwan), Southeast Asia (Brunei, Cambodia, Indonesia, Malaysia, Myanmar, Philippines, Singapore, Thailand, and Vietnam), and South Asia (Bangladesh, India, Iran, Nepal, Pakistan, and Sri Lanka). Incorporating hundreds of interviews, as well as textual analysis of cartoons; observation of workplaces, companies, and cartoonists at work; and historical research, Lent offers not only the first such survey in English, but the most complete and detailed in any language. Richly illustrated, this volume brings much-needed attention to the political cartoons of a region that has accelerated faster and more expansively economically, culturally, and in other ways than perhaps any other part of the world. Emphasizing the “freedom to cartoon, the author examines political cartoons that attempt to expose, bring attention to, blame or condemn, satirically mock, and caricaturize problems and their perpetrators. Lent presents readers a pioneering survey of such political cartooning in twenty-two countries and territories, studying aspects of professionalism, cartoonists’ work environments, philosophies and influences, the state of newspaper and magazine industries, the state’s roles in political cartooning, modern technology, and other issues facing political cartoonists. Asian Political Cartoons encompasses topics such as political and social satire in Asia during ancient times, humor/cartoon magazines established by Western colonists, and propaganda cartoons employed in independence campaigns. The volume also explores stumbling blocks contemporary cartoonists must hurdle, including new or beefed-up restrictions and regulations, a dwindling number of publishing venues, protected vested interests of conglomerate-owned media, and political correctness gone awry. In these pages, cartoonists recount intriguing ways they cope with restrictions—through layered hidden messages, by using other platforms, and finding unique means to use cartooning to make a living.

political cartoon vietnam war: American Political Humor Jody C. Baumgartner, 2019-10-07
This two-volume set surveys the profound impact of political humor and satire on American culture and politics over the years, paying special attention to the explosion of political humor in today's wide-ranging and turbulent media environment. Historically, there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics—entertaining and sometimes insightful, but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture. This set documents just how mistaken that assumption is. By examining political humor and satire throughout US history, these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents, parties, and issues but also how satirists, comedians, cartoonists, and filmmakers have helped to shape popular attitudes about landmark historical events, major American institutions and movements, and the nation's political leaders and cultural giants. Finally, this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live.

political cartoon vietnam war: Chronicles of a Two-Front War Lawrence Allen Eldridge, 2012-01-18
During the Vietnam War, young African Americans fought to protect the freedoms of Southeast Asians and died in disproportionate numbers compared to their white counterparts. Despite their sacrifices, black Americans were unable to secure equal rights at home, and because the importance of the war overshadowed the civil rights movement in the minds of politicians and the public, it seemed that further progress might never come. For many African Americans, the bloodshed, loss, and disappointment of war became just another chapter in the history of the civil rights movement. Lawrence Allen Eldridge explores this two-front war, showing how the African American press grappled with the Vietnam War and its impact on the struggle for civil rights. Written in a clear narrative style, Chronicles of a Two-Front War is the first book to examine

coverage of the Vietnam War by black news publications, from the Gulf of Tonkin incident in August 1964 to the final withdrawal of American ground forces in the spring of 1973 and the fall of Saigon in the spring of 1975. Eldridge reveals how the black press not only reported the war but also weighed its significance in the context of the civil rights movement. The author researched seventeen African American newspapers, including the Chicago Defender, the Baltimore Afro-American, and the New Courier, and two magazines, Jet and Ebony. He augmented the study with a rich array of primary sources—including interviews with black journalists and editors, oral history collections, the personal papers of key figures in the black press, and government documents, including those from the presidential libraries of Lyndon Johnson, Richard Nixon, and Gerald Ford—to trace the ups and downs of U.S. domestic and wartime policy especially as it related to the impact of the war on civil rights. Eldridge examines not only the role of reporters during the war, but also those of editors, commentators, and cartoonists. Especially enlightening is the research drawn from extensive oral histories by prominent journalist Ethel Payne, the first African American woman to receive the title of war correspondent. She described a widespread practice in black papers of reworking material from major white papers without providing proper credit, as the demand for news swamped the small budgets and limited staffs of African American papers. The author analyzes both the strengths of the black print media and the weaknesses in their coverage. The black press ultimately viewed the Vietnam War through the lens of African American experience, blaming the war for crippling LBJ's Great Society and the War on Poverty. Despite its waning hopes for an improved life, the black press soldiered on.

political cartoon vietnam war: The Vietnam Era Virginia Schomp, 2005 Describes, through excerpts from diaries, speeches, newspaper articles, and other documents of the time, the Vietnam War and related events that occurred in the United States during the 1960's, including the women's movement, the struggle for civil rights

political cartoon vietnam war: Drawn to Extremes Chris Lamb, 2004 In 2006, a cartoon in a Danish newspaper depicted the Prophet Mohammed wearing a bomb in his turban. The cartoon created an international incident, with offended Muslims attacking Danish embassies and

threatening the life of the cartoonist. Editorial cartoons have been called the most extreme form of criticism society will allow, but not all cartoons are tolerated. Unrestricted by journalistic standards of objectivity, editorial cartoonists wield ire and irony to reveal the naked truths about presidents, celebrities, business leaders, and other public figures. Indeed, since the founding of the republic, cartoonists have made important contributions to and offered critical commentary on our society. Today, however, many syndicated cartoons are relatively generic and gag-related, reflecting a weakening of the newspaper industry's traditional watchdog function. Chris Lamb offers a richly illustrated and engaging history of a still vibrant medium that forces us to take a look at ourselves for what we are and not what we want to be. The 150 drawings in *Drawn to Extremes* have left readers howling-sometimes in laughter, but often in protest.
