

prayer for someone taking a test

prayer for someone taking a test is a meaningful way to offer support and encouragement to a student or individual facing an important exam. Tests can often be a source of anxiety and stress, making spiritual encouragement a valuable tool to foster calmness, confidence, and focus. This article explores different types of prayers specifically crafted for those preparing to take tests, emphasizing the power of faith and positive intention. Additionally, it discusses how prayer can complement practical study techniques and mental preparation. Whether seeking a traditional prayer, a personalized blessing, or words of encouragement, readers will find comprehensive guidance to uplift and inspire test-takers. The following sections will provide insights on the purpose of prayer for exams, examples of prayers, and tips for combining prayer with effective study habits.

- The Purpose of Prayer for Someone Taking a Test
- Examples of Prayers for Test-Takers
- How Prayer Supports Mental and Emotional Well-being
- Incorporating Prayer into Study Routines
- Practical Tips to Enhance Test Performance

The Purpose of Prayer for Someone Taking a Test

Prayer serves multiple functions for individuals facing the challenge of taking a test. It can provide emotional comfort, reduce anxiety, and foster a sense of peace and assurance. For many, prayer is a way to seek divine guidance and wisdom, asking for clarity of mind and the ability to recall learned information effectively. Beyond spiritual benefits, prayer can also help improve concentration and build confidence, which are crucial for successful test performance. Recognizing the importance of prayer in this context highlights how faith and spirituality intersect with academic and personal achievement.

Emotional Support Through Prayer

One of the primary purposes of prayer for someone taking a test is to offer emotional support. Test anxiety is a common issue that can hinder performance. Prayer provides a moment of calm and reflection, helping to soothe nerves and promote a positive mindset. It encourages individuals to release fear and trust in their preparation and abilities.

Seeking Wisdom and Focus

Prayers often include requests for wisdom, understanding, and focus—qualities essential during exams. By invoking divine assistance, test-takers may feel more centered and capable of tackling challenging questions. This spiritual approach can complement cognitive strategies, enhancing overall exam readiness.

Examples of Prayers for Test-Takers

Various prayers can be tailored to the needs of those preparing for or taking a test. These prayers can be recited personally, shared during group study sessions, or offered by family and friends. The language and tone may vary depending on religious or spiritual traditions but generally emphasize calmness, clarity, and success.

A Simple Prayer for Confidence and Clarity

This prayer focuses on building self-assurance and mental clarity:

“Dear Lord, please grant me calmness and clear thinking as I take this test. Help me to remember all that I have studied and to answer each question with confidence and wisdom. Guide my mind and steady my hand. Amen.”

A Prayer for Peace and Focus

Designed to reduce stress and promote concentration, this prayer can be repeated before and during the exam:

“Heavenly Father, calm my heart and quiet my mind. Fill me with peace and focus so that I may perform to the best of my ability. Help me to remain relaxed and confident throughout this test. Amen.”

Prayer of Gratitude and Trust

This prayer expresses thankfulness and trust in the outcome, regardless of the results:

“Thank you, Lord, for the opportunity to learn and grow. I trust in your guidance and grace as I take this test. Help me to do my best and accept the results with a grateful heart. Amen.”

How Prayer Supports Mental and Emotional Well-

being

Engaging in prayer before a test positively influences mental and emotional well-being. It helps regulate stress hormones, promotes relaxation, and enhances resilience against pressure. The meditative aspect of prayer encourages mindfulness, which improves attention and reduces distractions. Additionally, prayer can foster a sense of community and support when shared with others, contributing to overall emotional stability.

Reducing Anxiety and Stress

Stress and anxiety activate the body's fight-or-flight response, which can impair cognitive functions such as memory and problem-solving. Prayer helps mitigate these effects by promoting calmness and lowering stress levels. The repetitive nature of prayer or meditation also has a soothing effect on the nervous system.

Enhancing Concentration and Memory

Prayer encourages mental focus by inviting individuals to center their thoughts. This focused attention can improve the ability to recall studied material and maintain concentration during the test. When combined with visualization techniques, prayer can reinforce positive expectations and mental preparedness.

Incorporating Prayer into Study Routines

Integrating prayer into daily study routines can provide ongoing encouragement and spiritual support. Establishing consistent prayer habits helps create a balanced approach to exam preparation, combining faith with practical effort. This integration also promotes discipline and a positive attitude toward learning.

Creating a Prayer Schedule

Setting aside specific times for prayer during study sessions can help regulate stress and maintain motivation. For example, beginning and ending study periods with a short prayer can frame the session with calm and focus.

Combining Prayer with Meditation and Breathing

Incorporating deep breathing and meditation alongside prayer enhances relaxation and mental clarity. This combination can be particularly effective in managing pre-exam nerves and maintaining composure.

Practical Tips to Enhance Test Performance

While prayer is an important source of support, combining it with practical strategies significantly improves test outcomes. The following tips outline effective methods to complement spiritual preparation with actionable steps.

1. **Organize Study Materials:** Keep notes and resources well-organized for efficient review.
2. **Create a Study Plan:** Develop a realistic schedule to cover all topics systematically.
3. **Practice Regularly:** Use practice tests to build familiarity and confidence.
4. **Maintain Healthy Habits:** Prioritize sleep, nutrition, and exercise to support cognitive function.
5. **Stay Positive:** Use affirmations and prayer to build a constructive mindset.
6. **Manage Time Effectively:** Plan time during the exam to answer all questions thoroughly.

Combining these strategies with a heartfelt prayer for someone taking a test can create a holistic approach to exam success, addressing both the mind and spirit.

Frequently Asked Questions

What is a simple prayer to say for someone taking a test?

A simple prayer could be: 'Dear God, please grant me clarity, calmness, and confidence as I take this test. Help me recall what I have studied and do my best. Amen.'

How can prayer help someone who is anxious before a test?

Prayer can provide comfort and reduce anxiety by helping the person feel supported and calm. It encourages mindfulness and focus, allowing the individual to approach the test with a peaceful mindset.

Is there a specific prayer in Christianity for success in exams?

While there is no official prayer specifically for exams, many Christians pray for wisdom and guidance, such as asking God for understanding and the ability to remember what they have learned, for example: 'Lord, grant me wisdom and understanding as I take this exam.'

Can non-religious people benefit from a prayer-like practice before a test?

Yes, non-religious individuals can benefit from meditation or positive affirmations that function similarly to prayer by promoting calmness, focus, and confidence before a test.

What Bible verse can encourage someone before taking a test?

Philippians 4:13 is often encouraging: 'I can do all things through Christ who strengthens me.' This verse reminds individuals that they can face challenges with strength and confidence.

Additional Resources

1. Prayers for Success: Finding Strength and Focus Before Your Test

This book offers a collection of powerful prayers designed to help students calm their nerves and gain confidence before taking exams. It emphasizes mental clarity, focus, and the strength to overcome anxiety. Readers will find comforting words and spiritual encouragement to face their tests with a peaceful heart.

2. Faith and Focus: Prayers to Prepare Your Mind for Testing

Combining scripture and meditative prayers, this book guides readers to center their thoughts and trust in a higher power during times of academic challenge. It provides practical advice alongside prayers to enhance concentration and reduce stress. Ideal for students seeking spiritual support in their study routine.

3. Divine Confidence: Prayer Strategies for Exam Day

This guide presents specific prayers that build self-assurance and resilience on the day of the test. It encourages readers to release fear and embrace calmness through faith. The book also includes tips for maintaining a positive mindset and staying grounded under pressure.

4. Peaceful Mind, Successful Test: Prayers to Overcome Exam Anxiety

Focused on alleviating test-related stress, this book offers prayers and affirmations that promote tranquility and mental peace. It helps readers confront their worries with spiritual reassurance and inner calm. The prayers

are designed to be easy to memorize and recite anytime before or during exams.

5. *Prayerful Preparation: Spiritual Tools for Academic Excellence*

This resource combines prayer with practical study habits to create a holistic approach to exam preparation. It encourages students to seek divine guidance while developing discipline and focus. The book includes prayers for motivation, wisdom, and perseverance.

6. *Strength in Study: Prayers for Endurance and Clarity*

A collection of prayers aimed at sustaining energy and mental sharpness throughout long study sessions and challenging exams. It reminds readers to depend on spiritual strength when feeling overwhelmed or fatigued. The prayers foster a balanced mindset and renewed determination.

7. *Guided by Grace: Prayer Meditations for Test Takers*

This book features meditative prayers and reflections that help students invite grace and wisdom into their test experiences. It promotes mindfulness and spiritual calm, encouraging a deeper connection to faith during stressful moments. The meditations are simple yet profound, suitable for daily practice.

8. *Hope and Help: Prayers for Students Facing Exams*

Designed to inspire hope and provide comfort, this book includes prayers that affirm God's presence and support during academic challenges. It reassures students that they are not alone and offers spiritual encouragement to persevere. Alongside prayers, it shares uplifting stories of overcoming test anxiety.

9. *Calm Before the Test: Prayer and Reflection for Exam Success*

This book combines prayer with reflective exercises to help students prepare mentally, emotionally, and spiritually for their exams. It guides readers through moments of introspection and prayerful focus, fostering a tranquil state conducive to success. The reflections help build confidence and reduce fear of failure.

prayer for someone taking a test: Testing Prayer Candy Gunther Brown, 2012-04-30

Drawing on medical records, surveys of prayer recipients, prospective clinical trials, and multiyear follow-up observations and interviews, Brown shows that the widespread perception of prayer's healing power has demonstrable social effects which can in some cases produce improvements in

health that can be scientifically verified.

prayer for someone taking a test: Becoming a Person of Prayer Chris Craig, 2007-04 How is your prayer life? Or how do you want your prayer life to be? Does praying satisfy your heart's desire to connect with God? Does God hear your prayers, or do they bounce off the ceiling? Do you want to make God happy? Chris Craig believes every Christian can learn to pray effectively. In this book, he offers practical biblical answers to show how you can pray powerfully and well for yourself and for others. Prayer shaped the life and work of Jesus Christ, and prayer is vital to developing and maintaining an intimate relationship with Him. Join Chris as he leads you to become a person of prayer. Becoming a Person of Prayer is an excellent, well-organized guide to prayer for personal spiritual growth or for group study. Chris Craig is the senior pastor of First Baptist Church in Ruston, Louisiana. He is married to Cindy, and they have three children: Jason, Julie, and Alicia. Chris and Cindy are also the proud parents of Crunch, a Boxer, and Pebbles, a Rottweiler. Chris earned his Bachelor of Science Degree from Union University in Jackson, Tennessee. He earned a Master of Divinity from Southwestern Seminary in Fort Worth, Texas, and a Doctor of Ministry Degree from Midwestern Seminary in Kansas City, Missouri. He has been in the ministry for over twenty years now. Chris pastored three churches in Texas before coming to Ruston in January 2003.

prayer for someone taking a test: Praying Personalities Janet Holm McHenry, 2024-02-13 Discover the particular way God designed you to connect with Him through prayer You should pray in the morning. You should write out your prayers. You should make prayer lists and pray through them every day. You should pray with others or out loud. We've all heard the you shoulds of prayer from pulpits, presenters, and well-meaning friends. But when none of these ways to pray feel natural, what's next? Janet Holm McHenry has studied prayer extensively, and the one thing she knows for sure is that there's no one-size-fits-all way to pray. Instead, there are different styles of prayer--and by discovering the style most instinctive to each individual personality, staying in touch with God throughout the day becomes simple and all the more joyful. In this book, the author helps readers determine their particular praying personality by examining the praying styles of biblical people, spiritual gifts, and various ideas about personality, including the classic temperaments, the Enneagram, and more. McHenry includes scores of bulleted suggestions for developing a praying lifestyle that works for individuals. She has also created a Praying Personality Quiz for readers (available in the book and online) to help narrow down the style that will most naturally fit into how they process a prayer life. Whether a longtime Christian who has tried various prayer strategies but can't keep up or a new believer looking to learn about this spiritual discipline, every reader who dives into this book will come away with a renewed prayer life and a greater understanding of who God created them to be.

prayer for someone taking a test: Prayer Takes Us Home Gerhard Lohfink, 2020-08-15 A lot of people would like to learn to pray all over again. Others are not so sure they ought to pray. They want to know whether prayer will help them and, more than that, whether it will be of any use at all to our world. This book gives an answer—not in the form of glib instructions, but by introducing the reader to the theology of prayer. It refers again and again to the Bible, especially the Psalms. At the same time, it speaks about personal experiences as well. Gerhard Lohfink writes in inviting, easy-to-read language, answering questions such as: “To whom do we pray?” “Does it make any sense to ask for things in prayer?” “What happens in the Eucharistic Prayer?” “What is so special about the Psalms?” “How can I practice Christian meditation?” This book offers an inviting approach to Christian prayer.

prayer for someone taking a test: 21 Tests of Effective Leadership Larry Kreider, 2011-07-28 As leaders we all face tests, and we should welcome them. The greater our call to leadership, the greater the tests will be. Problems only provide the opportunity for us to grow and become more mature as leaders. Surviving the tests teaches us humility, because we have been tested and remained faithful. No matter if we are leaders in the workforce, in our homes, our communities, our church or in a variety of organizations, this book will help us stand when the task becomes difficult and demanding.

prayer for someone taking a test: *The Spiritual Lives of Dying People* Paul A. Scaglione, John M. Mulder, 2013-05-24 How do people think about God as they look death squarely in the face? This is the central question in *The Spiritual Lives of Dying People*. Here are the stories of fifteen people who confront death in their own ways and who find spiritual strength in their faith. This is also the story of a remarkable and gifted priest, one who has made ministry with the chronically ill a special focus of his pastoral life and has guided people not only through their dying but also to God. In this book, readers will find the inspiring stories of people who found hope and courage in life so that they could meet death. Readers will also glean insights into how they might approach their own deaths or care for others who are in the midst of making the last journey of life. This is a book that illuminates how to answer one of life's most important questions: How shall I die?

prayer for someone taking a test: Christian Meditation for Beginners Thomas Zanzig, 1996 The older teens in your parish want a youth ministry program that exposes them to relevant, real-world topics in an active, engaging way. Horizons is an innovative, comprehensive approach to religious education. Its foundation is teacher-led, creative learning strategies that give students ample opportunities for discussion, reflection--and fun! Designed for grades 9-12, Horizons utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish. Seven core courses set the stage for discussing central and foundational themes. Then choose from a wide selection of age-appropriate minicourses to round out your curriculum and craft summer courses, retreats, and youth-group activities. The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum. And on top of all that, Horizons includes outstanding training resources. You'll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere.

prayer for someone taking a test: The Student Leadership Training Manual for Youth Workers Dennis Tiger McLuen, Chuck Wysong, 2010-12-21 As profound, as relevant, as funny as you are . . . teenagers still listen to each other more than to an adult youth worker. You may grimace, but you can't deny it--students talking to each other usually means more to them than adults talking to them. The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able--helping and evangelizing their peers . . . organizing ministry teams . . . planning and executing their own youth ministry programming. Here are 31 training sessions for discipling student leaders in a small-group setting--sessions that start in the Bible and reach deep into teenagers' experience . . . ready for you to implement a clear and effective program that trains your students for higher levels of leadership, regardless of where they are now. Plus 24 pages just for you, a veritable primer on how to cultivate student leadership: The role of adults Authority vs. responsibility Setting student leaders up for success Teaching students not just the whats, but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers, CE directors, associate pastors, and small-group leaders--anyone who works with a youth group's core kids.

prayer for someone taking a test: A Journey into Prayer Bill Sweet, 2003-10-24 Prayer is a constant mental input into our world. Do we pray for what we need or what we want? Do we pray to heal or to hurt? Terrorists pray. Healers pray. Millions pray. Motivations for prayer are investigated by the Spindrift researchers. One discovery was that non goal-directed prayer--Thy will be done--produced different test results than goal-directed prayer. *A Journey Into Prayer* explores the struggles, triumphs, and persecutions of two spiritual healers, Bruce and John Klingbeil, who developed scientific laboratory tests to investigate the effectiveness of prayer. This father and son team added to the centuries old anecdotal evidence the modern day standard of proof demanded by science and medicine. Spindrift translated some spiritual experiences and religious language into the scientific language and experiments of our times. Spindrift isolated positive and negative effects of prayer. Spindrift ignited spiritual dynamite by asking, What can we know about prayer scientifically? Author Bill Sweet weaves with a rare sense of humor this Spindrift adventure and the outrage it sparked. ABOUT A JOURNEY INTO PRAYER One of the most predictable consequences of exploring the bridge between science and religion is that the simple act of questioning authority, on

either side of that bridge, is guaranteed to evoke furious emotions in those who believe they already know the truth. Bill Sweet's Journey into Prayer is the story of a father and son who courageously risked everything to explore the power of prayer, an overview of what they discovered, and a poignant reminder of the risks faced by all true pioneers. --Dean Radin, Ph.D., Senior Scientist, Institute of Noetic Sciences, Author of The Conscious Universe and Entangled Minds, interviewed in the movie What the Bleep: Down the Rabbit Hole The name Spindrift is synonymous with what at first seems an oxymoron--the scientific study of prayer. This group's ground-breaking work, which has been part of an enormous shift in consciousness, was brought forth at great personal cost--the apparent suicides of the father-son research team. Bill Sweet's meticulous account reads like a mystery--one that may never be solved. But regardless of the tragedy, the Spindrift research is an important part of the bridge between science and Spirit. May all the good these researchers have done return to them as an enduring blessing of peace. --Joan Borysenko, Ph.D., Author, Seven Paths to God and A Woman's Journey to God cofounder and former Director of the Mind-Body Clinic, Harvard Medical School This book describes the work of some original thinkers, supported by over 20 years of meticulous experimental and analytical research of ingenious design. It bears on the nature of prayer and of healing, and of powers of the human mind little appreciated by most people. Because the philosophical background and the experimental work differs from the mainstream, the research and its important implications for all of us has been largely overlooked. Bill Sweet's homely and disarming writing style presents the material in a personal way that is easily accessible to readers of all backgrounds. Read it, enjoy it, and save your judgment until you have finished and pondered it a while. --Theodore Rockwell, nuclear engineer and Author of The Rickover Effect and Creating The New World

prayer for someone taking a test: 101 Overcomers' Rhema Loaded with Daily Benefits
Akintayo Emmanuel, 2024-12-20 From the garden of Eden where our Lord Jesus Christ called out to Adam and said, Adam, where art thou? to the new Jerusalem city where the Spirit and the bride say, Come, the Lord Jesus Christ has been yearning to bring man back into union with His eternal life. 101 Overcomers' Rhema Loaded with Daily Benefits is not a daily devotion but God's Word spoken by the Spirit of God directly to the humble and meek reader, especially those who are desperately hungry and thirsty for Jesus. Eating this Word means you are becoming like Jesus, the bread of life, the divine flesh and blood known as the Word made flesh. Those who eat this Word will receive the life of God (Zoe) in an abundant measure and become an overcomer that sits with Jesus Christ in His throne. The wonderful tree of life, that metamorphosized to trees of life, only grows and bears its fruit by the banks of the river of life (the Holy Spirit). The tree of life (the Word) grows out of the river of life (the Holy Spirit), signifying that the life of the tree is derived from the life of the river of life. All who would be trees of life must first access the river of life. These kinds of people are God's overcomers, a Joel's strong army, a people with the nature and the more excellent ministry of Jesus Christ. Hitherto, cherubims with a flaming sword guarded the way to the tree of life at the garden of Eden to prevent man from entering the garden, but now through the cross of Jesus Christ, the cherubims have been removed, the flaming sword has been sheathed, the wall has been broken down, the handwriting of ordinances that was against us has been taken out of the way, the gates of the holy city have been swung wide open--never to be closed again--the pathway has been bathed in brilliant light, and upon entering the city, there is no longer a tree of life, but trees of life,--a whole vast forest of them--super-abundant, complete and perfect overcomers: a Christlike people who will sit alongside Jesus Christ on His throne reigning forever with him. My family and I are eternally grateful to Jesus Christ to be a part of these overcomers. As you are about to open the pages of this book, rejoice in the Lord because you are also an overcomer alongside Jesus Christ.

prayer for someone taking a test: Following the Orienteering Course of Life Fred Sayin, 2025-02-03 See how this author explains the five principles of Unity Missions Church Christian ND, as well as where past ideas come from like: original sin. The author's thirteen years as a member of Unity Missions Church started two weeks after his mother's death. He saw the church building during the week while running an errand. He decided to attend a service believing he might surprise

a couple friends, however the friends went to a different church with a similar name. This author has had seizures since February 1988 and thus only found volunteer, seasonal or temporary jobs as his seizures prevented him from attaining a driver's license. The preceding should show to today's society that disability does not mean inability.

prayer for someone taking a test: Inspirational Short Stories Dennis E. Bailey, 2025-06-05 These short inspirational writings were written in a five-year time of my life, starting in 1996 through 2001. Most of these stories were written while I was on vacation, traveling the USA on an escorted motor coach. When I was able to lay aside the everyday walk of life, even on vacation, I was inspired to write the story God gave me. I learned quickly that when the Holy Spirit spoke, I needed to make time soon to write what the spirit led me to write. Some of these places were Niagara Falls, Grand Tetons, Yellowstone National Park, and Alaska. Special thanks to my wife for helping me get this book to this level. My favorite Bible verse during these stories and still today is 2 Chronicles 7:14: If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven and will forgive their sin, and will heal their land.

prayer for someone taking a test: The Disciples' Prayer Jeffrey B. Gibson, 2015-06-01 What are Christians praying when they pray the Lord's Prayer, and what relationship does it have with Jesus' own context? Jeffrey B. Gibson disputes the view that Jesus' prayer was derived from Jewish synagogal prayers. Understanding its intent requires understanding Jesus' purpose in calling disciples as witnesses against this generation. In context, the prayer was not eschatological and was not aimed at calling down into the present the realities of the age to come. Rather, it was meant to protect disciples from the temptations of their age.

prayer for someone taking a test: The Mountain of Silence Kyriacos C. Markides, 2002-11-19 An acclaimed expert in Christian mysticism travels to a monastery high in the Trodos Mountains of Cyprus and offers a fascinating look at the Greek Orthodox approach to spirituality that will appeal to readers of Carlos Castaneda. In an engaging combination of dialogues, reflections, conversations, history, and travel information, Kyriacos C. Markides continues the exploration of a spiritual tradition and practice little known in the West he began in *Riding with the Lion*. His earlier book took readers to the isolated peninsula of Mount Athos in northern Greece and into the group of ancient monasteries. There, in what might be called a "Christian Tibet," two thousand monks and hermits practice the spiritual arts to attain a oneness with God. In his new book, Markides follows Father Maximos, one of Mount Athos's monks, to the troubled island of Cyprus. As Father Maximos establishes churches, convents, and monasteries in this deeply divided land, Markides is awakened anew to the magnificent spirituality of the Greek Orthodox Church. Images of the land and the people of Cyprus and details of its tragic history enrich the *Mountain of Silence*. Like the writings of Castaneda, the book brilliantly evokes the confluence of an inner and outer journey. The depth and richness of its spiritual message echo the thoughts and writings of Saint Francis of Assisi and other great saints of the Church as well. The result is a remarkable work—a moving, profoundly human examination of the role and the power of spirituality in a complex and confusing world.

prayer for someone taking a test: Passing the 21 Tests of Leadership Dr. Larry Kreider, 2018-04-17 "There is a great need for leaders today who have been willing to be examined by the tests of life so they will endure during difficult times."

prayer for someone taking a test: The Living Word™ 2023-2024 Angie Greulich, Jennifer A. Johnson, Andrew Mountin, Aires Patulot, Mikki Sciba, 2023-02-03 The Living Word™ helps youth ministers, parish catechists, and high school religion teachers meet teens where they are and guide them to a deeper understanding of the Gospel's role in their lives. This model of liturgical catechesis through lectionary readings enhances the liturgical preparation, liturgical participation, and liturgical living of teens. Each session can be easily incorporated into lessons or group activities that have already been planned. This resource includes materials for each Sunday and holyday of obligation from the first Sunday of August through the last Sunday in July. Additionally, The Living Word™ includes digital resources to help teens reflect on and act on the Sunday Gospel throughout the week. The Living Word™ includes the following: -Complete and flexible 15-minute sessions to complement your current teen programs -Connections to the liturgical calendar and to Catholic teachings -Ritual with the proclamation of the Gospel -Reflections to help teens understand the Gospel in the context of their own experiences and concerns -Useful tools for integrating the New Evangelization in your teen ministry -Digital reproducibles (in PDF and JPG format) for teens that can be printed, emailed, and shared via social media Authors include Kate Cousino, Julie Dienno-Demarest, Aires Patulot, and Liza N. Peters.

prayer for someone taking a test: Praying the Lord's Prayer J. I. Packer, 2007-06-07 Praying is a problem for many people. Christians often go through the motions of prayer because it is expected of them, but they are often left wondering, Did God hear me? Does he even care? In his book *Praying the Lord's Prayer*, an excerpt from *Growing in Christ*, J. I. Packer presents a powerful truth: prayer is a natural activity between the Heavenly Father and his children. As Packer works through each phrase of Christ's pattern of prayer, readers will begin to grasp the basic principles and guidelines of prayer. As readers apply the truths of this book to their prayer lives, they will experience intimate communication with God and will strengthen their own conversations with their Father in heaven.
