prayer for financial increase: Simple Prayers For Financial Wisdom, Increase & Overflow Cassandra Mack, 2024-08-25 Welcome to Book 5 in the Simple Prayers Book Series. In this book, Simple Prayers For Financial Wisdom, Increase & Overflow, you are offered simple, Bible-based prayers that will empower you with Biblical wisdom so that you can align your beliefs, decisions and habits with Biblical principles for money, abundance and wealth. Many Believers mistakenly think that, money is the root of all evil. This is incorrect and misguided, because what the Bible actually says in 1 Timothy 6: 10 is that the LOVE of money is the root of all evil. And there lies the difference. It is when people idolize money and turn it into a god that it warps their thinking and causes them to behave in corrupt and immoral ways. When we love money rather than viewing money as a resource from God to be stewarded, our concept of money becomes twisted, even though it's not the money itself that is evil, it's the greedy, glorification and worship of money and materialism that often causes people to do evil things. But on the flip side, when we utilize money in a godly and responsible way for the betterment of our future, our families, our communities, the world at large, to advance the work of the Kingdom, to give to charities that help those in need and to help others

as God leads us to do so, then we are using money as a tool to seed into the lives of our fellow humans and do good in this world. Here's the other piece: When you pray about your finances as a Believer, you are not only asking God to guide and bless your financial situation, you're also asking God to release His abundance in your life in all of its forms in accordance with the scriptures. Money and how to steward it wisely for God's glory as well as our enjoyment and financial freedom while on earth is something that every Believer who desires to live richly needs to learn how to pray intentionally about. Whether you are doing well financially and desire to unlock even more prosperity so you can advance God's good plans for your life or whether you're going through a financial rough patch and you're seeking a turnaround in your finances; turning to God's word for guidance coupled with earnest prayer offers many benefits that will not only give you scriptural wisdom for your finances, but will help strengthen your faith in God for provision. prayer for financial increase: Prayers That Outwit the Enemy Chuck D. Pierce, Rebecca Wagner Sytsema, 2004-08-10 Although Christians often feel defeated and victimized by Satan and his minions, Scripture says that we are more than conquerors through Christ Jesus and that it's possible to live without giving Satan any ground. So why don't more Christians experience spiritual victory and power? Chuck Pierce says it's because we spend more time licking our wounds than we do studying Satan's sniper strategies so that we can find the shooter. The key to overcoming our enemy is to become more shrewd in recognizing his strategies, to pray in specific ways that help us to overcome Satan's attacks, and to wear the armor described in Ephesians 6. As we learn to pray--with power and authority--prayers of submission, confrontation, faith, wisdom, breakthrough, and more, we can learn to outwit the enemy of our souls.
