prayer for financial problem: Effective Prayers Rev. Robert Antwi, 2012-09-20 Many prayers go without answered, so I decided to seek the face of God to know how Christians will be able to get their prayers answered. Since I became a Christian in August 1984, I have seen most of my prayers answered in a very special way, so I would like to share with you some of the secrets I learned in getting my prayers answered. Our God is a prayer-answering God. First, we must have faith in God and trust that He is prepared to answer when we call on Him. But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him (Heb 11:6). Prayer is diligently seeking the face of God, so if we are going to pray, then we should believe that God is going to listen and answer our prayer.

prayer for financial problem: God's Choice Alan Peshkin, 1988-06-15 Is Bethany Baptist Academy God's choice? Ask the fundamentalist Christians who teach there or whose children attend the academy, and their answer will be a yes as unequivocal as their claim that the Bible is God's inerrant, absolute word. Is this truth or arrogance? In God's Choice, Alan Peshkin offers readers the opportunity to consider this question in depth. Given the outsider's rare chance to observe such a school firsthand, Peshkin spent eighteen months studying Bethany's high school—interviewing students, parents, and educators, living in the home of Bethany Baptist Church members, and participating fully in the church's activities. From this intimate research he has fashioned a rich account of Christian schooling and an informed analysis of a clear alternative to public education.

prayer for financial problem: Catholic or Protestant Steve Childers, 2008-06-27 I tell you the truth, unless you change and become like little children, you will never enter the kingdom of heaven. Matthew 18:3 Our salvation is so much more than an emotional night at a revival or perfect attendance in mass. It may be the first step, but God is looking for a commitment; and as creatures of free will, we have the choice to be obedient or to turn back to our sinful nature. It is up to us whether we experience the wonderful promises of Jesus Christ or suffer the consequences of bad decisions following the sinful ways of man. Our life on earth and our standing in heaven depends on the daily choices we make. Many Christians are frustrated because all they hear about in church are the blessings of Christ, and they wonder why they are not experiencing them. Many churches only teach about the benefits so as not to upset anyone and, in turn, hurt contributions to the building fund. However, Christians must understand what the Lord expects in order to experience His blessings, even as harsh as some of it may sound. The Bible was given to us to make changes in our own lives, not as justification of how we are living or to support criticism of those with sins different than our own. Scripture in this book is organized by topic, along with authors interpretation, and then you can decide if you are in a church being lead by the Holy Spirit.

prayer for financial problem: Ori-Oke Spirituality and Social Change in Africa Yaovi, Soede Nathanael, Nwosu, Patrick U., 2018-09-17 The dynamic nature of Christianity has necessitated its movement from the cathedral to the mountain top. This has occasioned a proliferation of Prayer Mountains throughout Africa. In Yorubaland of southwestern Nigeria, Prayer Mountain is known as Ori-Oke. Like many communities in Africa, the Yoruba are confronted with fundamental challenges in life for which people do not rest until they find solutions. Within the praxis of Nigerian Christian lexicon Ori-Oke is synonymous with the enactment of a sacred space on a mountain top characterised by various prayer regimes, rituals, exorcism and religious practices, aimed at eliciting the help of the divine to alleviate the existential challenges of devotees. This book explores the resacralisation of space on the mountains, highlighting how humans and the divine interact in Yorubaland. It brings into conversation 35 empirically rich scholarly essays on the role of Ori-Oke to

those seeking divine intervention in their lives. Today, Ori-Oke have become centres of pilgrimage as a result of the lived experiences of devotees, creating unique religious value quite distinct from the aesthetic value of these mountain tops. The spirituality of Ori-Oke is anchored on the absolute belief in God and the infusion of traditional African worldview sensibilities in religious rites and worship. Ori-Oke spirituality employs resources of Christian tradition, introduced by the formal agents of Christianity, synthesised with traditional culture, to develop a life based on the precepts of an African Christianity. The book is an intellectual discourse on Ori-Oke spirituality, reflecting its contemporary relevance in a context of religious innovation and competition.

Here, some of our best Bible teachers and expositors give us instruction on prayer, from why we should pray, to what prayer is, how it ties in with God's sovereignty, what it means to pray in Jesus' name, what it means to hallow God's name, and why God is to be the focus of our prayers, not ourselves.
