prayer for passing test: Tools for Effective Prayer Clarence Washington Sr., 2016-02-12 Just like your lifestyle, your current prayer life is also perfectly designed to produce the result you are getting. If you want a prayer life that will enable you to experience God's presence like you never have before and move Him to bless you like He has never blessed you before, then you must start praying like you have never prayed before! Tools for Effective Prayer will teach you how to do that! There are some mechanics of prayers, such as persistency and fervency, that are essential for effective prayer. However, without the proper dynamics of prayer working to produce spiritual power in a person's life—the positive effects of the discipline of proper mechanics are nullified. Such is also the case with the contents of prayer. If one's prayers don't include the essential contents—effectiveness (or power) will be greatly diluted.

prayer for passing test: *Testing and Temptations* Thomas Murosky Ph. D., 2014-04-15 Our America is one where many Christians do not live life like Christ nor do they read the Bible. The average American Christian is not engaged in service and gives less to the cause of Christ than they do for their entertainment. As part of the church, we need to be walking like Christ and encouraging others. Testing and Temptations will guide you through living for Christ in the midst of trials in your life. We all experience many trials that can be either tests or temptations, but little regard is ever given to what these words mean. Have you ever thought about the concepts behind testing and temptations or what role they may play in your life? While listening in on a sermon and constantly hearing the pastor fumble over test and tempt, the concept behind the book Testing and Temptations was born. In this book, we will examine the differences between tests and temptations and examine four key principles of Testing and Temptations: The Source of the Trial The Method the Trial Works in Us Where the Trial Leads Us The Intention behind the Trial Once we understand how Testing and Temptations are applied in our lives, we will be in a key position to understand how we can leverage our trials in order to grow closer to Christ. Thomas Murosky outlines simple steps to grow closer to God and live a more holy life, dedicated to the service of God.

You'll find clarity instead of confusion, strength instead of weariness, and purpose instead of emptiness. This experience will lead you to a deeper relationship with God, grounded in love and trust. Excerpt: When we submit to God in prayer, we don't necessarily need to ask Him to remove some things from our lives. Those things naturally leave. The purpose of our building changes. It now has a clear banner: "House in use as a house of prayer." Thieves can't seek to make it a hideout any longer. No learning can make up for the failure to pray. No earnestness, diligence, study, or gifts will supply its lack. - E.M. Bounds

prayer for passing test: Forty Days of Fasting & Prayer in the Biblical Context Clifford N. Oporum, 2016-09-15 This spiritually-empowered book reveals the importance and power of fasting and prayer backed with faith in God. It is based on the author's spiritual experiences and observations within Christ-centered environment, and written under the influence of the Holy Ghost and with the wisdom, knowledge and understanding received from the Almighty God. Jesus said to his disciples: Howbeit, this kind goeth not out but by prayer and fasting (Matt 17:21). There is an increasing need for believers to have a closer relationship with God, given the ever increasing level of abominations and immoralities in this world. This book is meant to spiritually encourage believers to continue to intercede for the sick and the weak, the lost and the hopeless, and the unbelieving souls. Throughout the Scriptures, and indeed the history of humanity, true servants of God have fasted and prayed as they faced circumstances that were above and beyond human comprehension and capability, and as they were over-whelmed with trials and tribulations of this secular world. It is imperative that we find time for a quiet moment within our hearts to commune with God, and to have a dialogue with Him in our individual war rooms. This book will immensely help and encourage you in positioning yourself for a place in the Kingdom of God.

prayer for passing test: The Gospel of Matthew John Paul Heil, 2017-03-16 The Gospel of Matthew encourages and inspires its audience to practice the true, authentic, and holistic worship required for believers in Jesus to live in the kingdom of heaven. In accordance with all that Jesus taught and exemplified regarding authentic worship, believers are invited to complement their worship of God by worshipping and praying to Jesus as God's beloved Son, who represents God with

us. They are also invited to complement their ritualistic worship, especially the baptism and Eucharist instituted for them by Jesus, with an ethical worship that extends to others, especially to disciples, children, and the least ones with whom Jesus identifies himself, the mercy God desires for a holistic worship. Indeed, a compassionate mercy toward all is the distinctive and noteworthy hallmark that characterizes the theme of worship in the kingdom of heaven, according to the Gospel of Matthew.

prayer for passing test: 1 & 2 Corinthians MacArthur New Testament Commentary Set John MacArthur, 2003-11-01 This package contains the complete two-volume set of First Corinthians and Second Corinthians from the MacArthur New Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. In First Corinthians and Second Corinthians, respected preacher and Bible teacher John MacArthur demonstrates how the Corinthian church required Paul's repeated care as the apostle sought to correct errors of unchristian practice, worship, and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God's apostle and sought reconciliation within the church. MacArthur explores these issues by giving a verse-by-verse analysis in context and providing points of application for passages, illuminating the biblical text in practical and relevant ways. Both volumes form yet another set of comprehensive and compelling commentaries in his New Testament series, and are a must-have for every pastor's library.

prayer for passing test: Power of Prayer Diane B. Townsend, 2022-11-03 If you feel empty or in one of life's storms that seem to get more turbulent with each passing day, then a rededication to prayer maybe what is missing in your life. Prayer is the most powerful tool we have to connect with God. It is one of the first methods of communication we are taught, as a child, to talk with God. Most of us were taught to ask God to take our soul if we were to die before we woke. While many of us devote time to prayer, sadly, most of us never experience more than the surface of its power. Many never break through the heavenly realm where God reigns and the impossible happens. This devotional encourages you to develop an intentional prayer life the kind that will cause God to perform mountain-moving miracles, increase your faith in prayer, fill your emptiness, and even help you see where God is taking you while in that storm. It is my prayer that you will be inspired to step out on a newfound faith in prayer and join the many believers who are experiencing the ultimate joy of the power of prayer, even when God's perfect will breaks our heart.
