# preview of main points in a speech example

preview of main points in a speech example serves as an essential component in effective public speaking, setting the stage for audience engagement and comprehension. A well-crafted preview not only outlines the key ideas that will be discussed but also creates a roadmap that guides listeners through the speech's structure. This article explores the importance of including a preview of main points in speeches, provides practical examples, and offers strategies for crafting clear and persuasive previews. By understanding how to incorporate a preview effectively, speakers can enhance clarity, maintain interest, and improve overall communication impact. The following sections will delve into the definition and purpose of a preview, analyze various examples, and offer tips to perfect this vital speech element.

- Understanding the Purpose of a Preview of Main Points
- Examples of Preview of Main Points in Different Speech Types
- How to Craft an Effective Preview of Main Points
- Common Mistakes to Avoid When Previewing Main Points
- Benefits of Using a Preview in Your Speech

# Understanding the Purpose of a Preview of Main Points

A preview of main points in a speech example is a concise statement early in the speech that outlines the key topics or ideas to be covered. Its primary purpose is to prepare the audience for what to expect, helping them follow the speaker's message with greater ease. This preview functions similarly to a roadmap, providing listeners with an overview that enhances retention and comprehension. Additionally, it aids the speaker in maintaining a clear and organized structure throughout the presentation.

### Clarifying Speech Structure

The preview allows the audience to anticipate the flow of information, which is crucial for understanding complex or detailed content. When listeners know the main points in advance, they can mentally categorize information, making it easier to recall and connect ideas later. This organizational benefit also supports the speaker in delivering a coherent and logical presentation.

### Engaging the Audience

By signaling what is coming, the preview piques interest and encourages active listening. Audiences tend to be more attentive when they have a clear sense of purpose and direction in the speech. Thus, a well-formulated preview can increase engagement and reduce confusion or distraction.

## Examples of Preview of Main Points in Different Speech Types

Preview statements vary depending on the speech type, audience, and purpose. Examining examples helps illustrate how to adapt previews to different contexts effectively.

## Informative Speech Example

In an informative speech about renewable energy, a preview might sound like this: "Today, I will discuss three main types of renewable energy sources: solar, wind, and hydroelectric power." This preview clearly outlines the topics, setting clear expectations for the audience.

## Persuasive Speech Example

For a persuasive speech on adopting healthy eating habits, the preview could be: "I will explain the health benefits of a balanced diet, the risks of poor nutrition, and practical tips to improve your eating habits starting today." This preview not only outlines the points but also hints at the speaker's intent to motivate change.

### Special Occasion Speech Example

In a toast or tribute, the preview might be more subtle: "I'd like to share three memorable moments that highlight why this person is so special." Although less formal, it still provides a roadmap for the audience.

## How to Craft an Effective Preview of Main Points

Creating a preview that strengthens a speech involves clarity, brevity, and relevance. The following strategies help ensure the preview fulfills its purpose effectively.

#### Be Clear and Concise

Avoid overly complex language or lengthy explanations within the preview. The goal is to summarize the

main points simply and directly. This helps the audience quickly grasp the structure without confusion.

## Use Signposting Language

Words and phrases like "first," "next," "finally," or "I will discuss" act as signposts that guide listeners through the speech. These cues enhance the preview's clarity by explicitly marking the transition between points.

### Align Preview with Speech Content

The preview must accurately reflect the main points discussed in the body of the speech. Any discrepancy can confuse the audience and undermine the speaker's credibility.

## Example of an Effective Preview

"In this presentation, I will cover the history of electric vehicles, their environmental impact, and the future trends in automotive technology." This example is clear, concise, and sets precise expectations.

# Common Mistakes to Avoid When Previewing Main Points

Even experienced speakers can make errors in previewing main points. Recognizing these pitfalls is essential for improving speech effectiveness.

- Being Too Vague: Using generic or broad terms without specifying the actual points.
- Overloading with Details: Including too much information in the preview, which can overwhelm or confuse the audience.
- **Skipping the Preview:** Omitting this section entirely, which can leave the audience uncertain about the speech's structure.
- Inconsistency: Presenting main points in the preview that do not match the body of the speech.
- **Monotony in Delivery:** Delivering the preview in a flat or unengaging tone, which may reduce audience interest.

## Benefits of Using a Preview in Your Speech

Incorporating a preview of main points in a speech example can significantly enhance communication effectiveness. Its advantages extend beyond simple organization.

### Improved Audience Retention

Previewing main points helps the audience remember key information by providing a mental framework. This is particularly important in educational or professional settings where information retention is critical.

## **Enhanced Speaker Confidence**

Knowing that the audience is guided through the speech can boost the speaker's confidence. A clear preview reduces the risk of losing the audience's attention or causing confusion.

### Facilitated Note-Taking

For audiences that take notes, a preview offers a structured outline to follow, making it easier to organize information and review later.

#### Increased Persuasiveness

In persuasive speeches, a preview can subtly reinforce the speaker's argument by framing the points in a logical and compelling sequence, helping to build a convincing case.

## Summary of Key Benefits

- 1. Clarifies speech structure for the audience
- 2. Enhances listener engagement and focus
- 3. Supports better comprehension and recall
- 4. Strengthens speaker's delivery and confidence
- 5. Improves overall effectiveness of the speech

## Frequently Asked Questions

## What is a preview of main points in a speech?

A preview of main points is a brief overview presented at the beginning of a speech that outlines the key topics or arguments the speaker will cover, helping the audience understand the structure of the speech.

### Why is including a preview of main points important in a speech?

Including a preview of main points is important because it prepares the audience for what to expect, improves clarity, enhances audience engagement, and helps in organizing the speech effectively.

### Can you provide an example of a preview of main points in a speech?

Certainly! For example: "Today, I will discuss three main benefits of regular exercise: improving physical health, enhancing mental well-being, and boosting productivity."

## How long should a preview of main points be in a speech?

A preview of main points should be concise, typically one to two sentences, sufficient to clearly outline the main topics without overwhelming the introduction.

## Where should the preview of main points be placed in a speech?

The preview of main points is usually placed near the end of the introduction, after the attention-getter and the thesis statement, to smoothly transition into the body of the speech.

## How can a speaker make the preview of main points more engaging?

A speaker can make the preview more engaging by using clear and vivid language, incorporating questions or anecdotes related to the points, and emphasizing how the points are relevant to the audience.

## Additional Resources

1. Mastering the Art of Speech Previewing

This book offers a comprehensive guide on how to effectively preview main points in speeches. It breaks down various techniques for engaging audiences early on and setting clear expectations. Readers learn practical strategies to organize and present previews that enhance overall speech clarity and impact.

2. The Power of Preview: Crafting Clear Speech Introductions
Focused on the introductory phase of public speaking, this book emphasizes the importance of previewing

main points. It provides examples and exercises to help speakers create strong, memorable previews that guide listeners through the speech structure. The book is ideal for both beginners and experienced speakers looking to refine their opening techniques.

#### 3. Previewing Main Points: A Speaker's Essential Toolkit

This resource explores different methods of previewing main points tailored to various speech types, from informative to persuasive. It includes templates and sample speeches to illustrate effective previewing. The author highlights how a well-crafted preview can boost audience retention and engagement.

#### 4. Speech Structure Simplified: The Role of Previews

Delving into speech organization, this book explains how previews function as a roadmap for audiences. It covers the principles behind choosing which points to preview and how much detail to include. Readers gain insights into balancing clarity and brevity in their speech openings.

#### 5. Engage and Inform: Previewing Techniques for Dynamic Speeches

This book combines theory and practice to teach readers how to preview main points in a way that captivates listeners. It features case studies of successful speeches that use previews effectively. The author also offers tips on adapting previews for different audience types and settings.

#### 6. Clear Beginnings: How to Preview Main Points with Confidence

Aimed at helping speakers build confidence in their introductions, this book breaks down the psychological aspects of previewing. It discusses common challenges and how to overcome them, ensuring previews sound natural and persuasive. Practical advice and rehearsal strategies are included to improve delivery.

#### 7. The Preview Principle: Enhancing Speech Clarity and Impact

This book theorizes the preview as a vital principle of speech communication. It integrates research from communication studies to explain why previews increase comprehension and retention. The author provides actionable steps for integrating previews seamlessly into various speech formats.

#### 8. From Outline to Audience: Previewing Main Points Effectively

Targeting speakers who want to transition from written outlines to engaging presentations, this book focuses on previewing main points as a bridge. It offers techniques to translate bullet points into compelling verbal previews. The book also addresses timing and tone to maintain audience interest.

#### 9. Previewing Main Points in Persuasive Speeches

Specifically tailored for persuasive speaking, this book explores how to preview main points to build credibility and motivate action. It includes rhetorical strategies that make previews more compelling and memorable. The author also discusses aligning previews with overall speech goals to maximize persuasive power.

Its eResource features video speech examples, classroom exercises, an instructor manual, and a quiz bank.

preview of main points in a speech example: COMMUNICATE OR COLLAPSE PUSHP LALA, SANJAY KUMAR, 2007-10-12 Effective communication is of immense significance to all organizations as the professional world thrives on its capacity to be articulate and expressive, innovative and improvising. The book, based on the vast and variegated experience of the authors gathered while training thousands of aspiring professionals, discusses how to hone the career management skills such as writing good resumés, presenting oneself in job interviews, and making a good impression in group discussions. The text explains in detail all the elements of communication, for example, different types of speeches, group discussions and interviews. The book also deals with the art of developing a speech in a planned manner, preparing an outline, and writing catchy introductions and emphatic conclusions. In addition, it shows how to combat nervousness in a scientific manner, and use microphones and lecterns. KEY FEATURES: Gives a number of sample speeches, model interviews, model group discussions. Provides cartoons and illustrations throughout the text that make the book interesting to read. Gives tips to employ body language, audio-visual aids, humour, wit, and quotations. Contains in-depth discussion on communication anxiety and its management. Intended primarily for courses in public speaking, communicative English and managerial communication, this practical text should also be of great utility and worth to students who have to appear for civil services examination at the interview and those pursuing professional courses in their group discussion part. Finally, it would be of help to all those who wish to engage themselves in debates and public speaking.

preview of main points in a speech example: Rhetorical Public Speaking Nathan Crick, 2022-10-20 This textbook offers an innovative approach to public speaking by employing the rhetorical canon as a means of constructing artful speech in a multi-mediated environment. By stressing how contemporary public speaking continues the classical art of persuasion, this book provides a foundation to guide students in constructing and delivering messages that address matters of concern and interest to their audience. This edition features contemporary as well as historical examples to highlight key concepts and show how rhetoric works in practice. It not only emphasizes the traditional skills of face-to-face oratory, but it also includes a chapter solely dedicated to highlighting the techniques and tactics of digital social influencing that adapts public speaking to online platforms. Each chapter includes speech excerpts, summaries, and exercises for review and retention. This textbook for courses in public speaking and rhetoric will particularly appeal to instructors wishing to foreground speaking as engaged citizens on public and political issues. Online resources include an instructor's manual with discussion and test questions, video links, and sample materials.

preview of main points in a speech example: The Art of Communication Randy Fujishin, 2022-07-22 This dynamic, skills-based introduction to personal communication provides students with the keys to improving their personal, academic, and professional lives through the power of human interaction and expression. The fourth edition includes new content on virtual communication scenarios, inclusive language, conflict resolution, and leadership development. With a distinctively encouraging and conversational approach, Fujishin explains the basic communication skills necessary for numerous contexts—including public speaking, small group, interpersonal, intercultural, leadership, interviewing, and technology-based communication.

preview of main points in a speech example: The Natural Speaker Randy Fujishin, Jared Fujishin, 2025-09-12 This thoroughly revised textbook is a friendly step-by-step guide to public speaking that explores the fundamental skills necessary to present a natural and rewarding speech to any audience. By providing an overview of speech construction, practice, and delivery, this book is designed to enhance and improve upon students' natural strengths. Featuring a warm and humorous writing style, The Natural Speaker illustrates the concepts and skills required for enjoyable public speaking as the authors invite readers to view speaking as a life-long journey. It is an easy-to-read book that introduces each chapter with relevant and engaging stories, explains concepts in simple language, and presents practical skills for improving public speaking. Its supportive tone encourages the reader to practice, improve, and use these oral presentation skills in formal and informal settings. This eleventh edition features new sections on topics including social anxiety in public speaking, the role of artificial intelligence in speech research and outline construction, and public speaking as a form of personal growth. This book serves as an accessible core textbook for public speaking courses and provides guidance for individual readers and public speaking workshops. Online resources include an Instructor's Manual, PowerPoint slides, a sample course outline, and sample test questions. They are available at www.routledge.com/9781032826929.

preview of main points in a speech example: <u>CONVEYING IDEAS A Text Book on Improving Public Speech</u> Dr Ananta Geetey Uppal,

preview of main points in a speech example: The Communication Age Autumn Edwards, Chad Edwards, Shawn T. Wahl, Scott A. Myers, 2023-02-14 When should you send a text message, and when is it more appropriate to talk face-to-face? What is the best way to prepare for a job interview that will be conducted over video? How should you modify your speech if it will be recorded and posted online? The Communication Age: Connecting and Engaging introduces students to the foundational concepts and essential skills of effective communication, with a strong emphasis on the impact of technology in our increasingly interconnected world. This new Fourth Edition helps students become involved in our diverse global community and learn how to apply key principles of effective communication—whether incorporating media, technology, or traditional face-to-face speech communication—to foster civic engagement for a better future. With comprehensive coverage of the essentials of interpersonal, small group, and public communication, this text is ideal

for use in hybrid introduction to communication courses.

preview of main points in a speech example: Shut Up and Speak! John Sheirer, 2002 Why does your mouth suddenly go dry, your throat tighten, your face get hot, and your knees buckle when you have to address a group of people? The old story goes that more people are afraid of public speaking than they are of death. So people at a funeral would prefer to be the person in the casket than the person delivering the eulogy! Shut up and speak means that you must stop dwelling on how difficult or frightening public speaking is. Shut up and speak means that you can't become a better public speaker simply by studying communications theory or relying on public speaking folk wisdom. This book gives you the guidance to shut up by tuning out all of the interference that doesn't help you become a better public speaker and to speak by throwing yourself whole-heartedly into speech-making.

preview of main points in a speech example: The Routledge Handbook of Public Speaking Research and Theory Stevie M. Munz, Tim McKenna-Buchanan, Anna M. Wright, 2024-04-18 Providing a comprehensive survey of the empirical research, theory, and history of public speaking, this handbook fills a crucial gap in public speaking pedagogy resources and provides a foundation for future research and pedagogical development. Bringing together contributions from both up-and-coming and senior scholars in the field, this book offers a thorough examination of public speaking, guided by research across six key themes: the history of public speaking; the foundations of public speaking; issues of diversity, equity, and inclusion; considerations of public speaking across contexts; assessment of public speaking; and the future of public speaking in the twenty-first century. The evidence-based chapters engage with a broad discussion of public speaking through a variety of viewpoints to demonstrate how subtopics are connected and fraught with complexity. Contributors explore public speaking in education, business and professional settings, and political contexts, and outline how skills learned through public speaking are applicable to interpersonal, small group, and business interactions. Reinforcing the relevance, importance, and significance of public speaking in individual, interpersonal, social, and cultural communication contexts, this accessibly written handbook will be an indispensable resource for public speaking instructors and program administrators. It will also be valuable reading for Communication Pedagogy and Introduction to Graduate Studies courses.

preview of main points in a speech example: The Communication Playbook Teri Kwal Gamble, Michael W. Gamble, 2018-10-02 Designed for today's active learners, The Communication Playbook moves students beyond the classroom by helping them develop a strong communication skillset that will benefit them throughout their lives. With a focus on effective communication skills and career success, bestselling authors Teri Kwal Gamble and Michael W. Gamble give students clear explanations of core concepts followed by practical learning activities—encouraging students to think critically about why good communication is important and how the concepts can be applied to today's classroom, workplace, and community. Perfect for the hybrid communication course with coverage of public speaking, this concise text has been strategically separated into tabbed chapters—making it easier for readers to navigate, digest, revisit, and review the content. As good communication is the foundation of everyday life, The Communication Playbook primes students for success in both their courses and their careers. preview of main points in a speech example: Leadership Michael Z. Hackman, Craig E. Johnson, 2013-04-03 Leadership is an integral component of the human experience and of practical importance to all. For nearly 25 years, the multiple editions of Hackman and Johnsons outstanding work have been the backbone of leadership courses at hundreds of colleges and universities. The authors extend this tradition of excellence in the Sixth Edition, which continues to serve as a valuable catalyst for generating new insights, debating controversial issues, and contributing to the ongoing dialogue on leading and following. Hackman and Johnson illuminate our understanding of leadership by approaching it as a communication-based activity. They artfully balance research and theory with practical, real-world suggestions for improving communication competence and leadership effectiveness in small-group, organizational, and public contexts. The comprehensive Sixth Edition adds discussions of organizational politics, project leadership, executive-level teams, adaptive leadership, intergroup leadership, sensemaking, and in extremis leadership. Readers will also appreciate the expanded treatment of bad leadership, emotional competencies, followership styles, charisma, leader development, crisis leadership, and virtual team leadership. Case studies cover such timely issues as the pink slime controversy, the legacy of Steve Jobs, banning super-sized soft drinks, the scandal at Penn State University, and the Miracle on the Hudson. Abundant examples, case studies, self-assessments, and research highlights enhance the presentation. Moreover, wide-ranging application exercises offer multiple opportunities for readers to review and apply the skills covered in the chapters.

preview of main points in a speech example: Business and Professional Communication Kelly M. Quintanilla, Shawn T. Wahl, 2015-12-09 Professional success requires excellent communication skills. Organized around the transition from student to professional life, Business and Professional Communication, Third Edition gives readers the tools they need to move from interview candidate to team member to leader. Kelly M. Quintanilla and Shawn T. Wahl help students understand the role communication plays when successfully handling situations like job interviewing, providing feedback to supervisors, and working in teams. The fully updated Third Edition includes expanded coverage of making competent choices in new communication channels, increased emphasis on skill building for business writing and presentations, and the effective use of visual aids.

preview of main points in a speech example: Icebreaker Tracey L. Smith, Mary Tague-Busler, 2014-11-03 The latest edition of Icebreaker—a practical, hands-on guide to public speaking for those with little or no experience—demonstrates a sequence of nine steps in the speech process: select a general topic, focus your topic, consider your specific purpose, organize your speech, research your topic, create presentation aids, create speech notes, practice, and deliver your speech. A distinctive series of opening questions reflectively introduce a particular public speaking/oral communication element. From the start, the questions cue readers to focus on key concepts and to watch for answers that lie ahead. "Strengthen Your Skills" exercises help readers practice essential components of public speaking. Discussion questions prompt readers to consider practical and personal applications as well as to gauge comprehension. Icebreaker provides a valuable framework for future speakers to become confident and competent.

 Practice Curriculum International Training, Research, and Evaluation Council, 1978
 preview of main points in a speech example: Speaking With Confidence and Skill Lynne
 Kelly, Arden K. Watson, 1989-04-11 Convinced that public speaking fears outranked all other fears,

the authors combined their years of teaching novice speakers to set forth their techniques for reducing apprehension and sharpening communication performance skills. The three basic techniques stressed are cognitive structuring (or attitude change), relaxation techniques and skills training. All of the topics addressed herein are intended for students in basic speech communication classes. Some of the topics are: the process of communication, assessing yourself as a communicator, improving attitudes and reducing apprehension, preparing and delivering a public speech, improving skills in group discussions as well as in all types of social relationships. First published by Harper and Row in 1986.
