The More Messy People Leader Guide outlines six small group sessions, complete with prayers, summaries, and discussion questions. It is designed to be used with the Participant Workbook and DVD and will support group leaders of all experience levels in creating strong learning communities. Jen Cowart continues her study of the very messy lives of biblical heroes—people who, like us, made mistakes but found God was able to use them in powerful ways. Through the lives of rival sisters like Leah and Rachel, or sisters with very different personalities like Martha and Mary, we see God chooses to use people who don't have it all together. Through the lives of great, but imperfect, biblical heroes like Moses, Elijah, Peter, and Paul, we see God meets us in our troubles and chooses us even if we seem unqualified.

They were far from evil, but hardly perfect. Mostly good, yet slightly bad. In other words, these matriarchal mamas look a lot like us. We love him, serve him, and worship him, yet we find it difficult to trust him completely, to accept his plan for our lives, to rest in his sovereignty." —from Slightly Bad Girls of the Bible

printable bible study guide for beginners: *Joy and Tears* Gerald W. Peterman, 2013-02-18 This book presents a biblical and practical look at Christians and their emotions, building off of the concept that most contemporary Christians have misconceptions about why we have emotions and how we should handle them. Trusting God doesn't mean being consistently tranquil or subdued. Truth is, such a view makes life flat and two dimensional. We often forget that emotions are a gift; to fear them or stow them away would be to deny a huge part of what makes us human. This book explores the significance of the gift and the benefits of living a robust life of thought, action, and feeling. Illuminating the emotional life of Christ and his followers, As Dr. Gerald Peterman asks: If I'm forgiven, why do I feel guilt and shame? What about anger? What if I'm angry with God? What is the place of sadness in the Christian life? Is love only an action? Emotions don't just happen to us like the virus or the flu, they are inherently part of us. Readers will find that the discussion extends beyond "good" and "bad", as many emotions are neutral and it is up to them to figure out how to glorify God with them. Extended chapters on love and anger are included.
