

teachings of the prophet joseph smith

teachings of the prophet joseph smith stand as foundational principles in the Latter-day Saint movement, profoundly influencing religious thought and practice since the early 19th century. As the founder of The Church of Jesus Christ of Latter-day Saints, Joseph Smith introduced a series of doctrines and revelations that emphasized restoration, revelation, and personal spiritual growth. His teachings cover a broad spectrum, including the nature of God, the plan of salvation, priesthood authority, and the importance of scripture. This article explores the core elements of Joseph Smith's teachings, highlighting their theological significance and continuing impact. By understanding these essential doctrines, one gains insight into the distinctive beliefs and practices that characterize the faith community he established. The following sections detail the major themes and principles found in the teachings of the prophet Joseph Smith.

- The Restoration of the Gospel
- Revelation and Prophetic Authority
- The Plan of Salvation
- Priesthood Authority and Organization
- Scriptural Contributions and Teachings
- Moral and Ethical Teachings

The Restoration of the Gospel

The restoration of the gospel is central to the teachings of the prophet Joseph Smith. He taught that after the apostolic age, the original Christian church fell into apostasy, losing divine authority and essential truths. Through Joseph Smith, God restored the fullness of the gospel, including priesthood authority, ordinances, and doctrine. This restoration is considered a pivotal event, reestablishing the true church on the earth.

The Great Apostasy

Joseph Smith taught that following the death of Jesus Christ's apostles, the Christian church experienced a general falling away from true doctrine and authority, known as the Great Apostasy. This period led to the loss of priesthood keys and the corruption of essential gospel principles.

The First Vision and Divine Commission

One of the most significant moments in the restoration was Joseph Smith's First Vision, where he reported seeing God the Father and Jesus Christ. This event marked the beginning of his prophetic mission and the restoration of divine truth.

Restoration of Ordinances and Authority

Through angelic visitations, Joseph Smith received priesthood authority to perform sacred ordinances such as baptism and confirmation. These restorations were essential to reestablishing the church's divine functions.

Revelation and Prophetic Authority

Revelation and prophetic authority are hallmark teachings of Joseph Smith. He emphasized that God continues to communicate with humanity through living prophets, and that personal revelation is available to all believers. This principle underscores the dynamic and ongoing nature of divine guidance.

Continuing Revelation

Joseph Smith taught that revelation did not cease with the Bible but continues today. Prophets receive guidance to direct the church and individuals in modern times, ensuring that God's will is known and followed.

Role of the Prophet

The prophet serves as God's spokesperson, conveying divine will and instructions. Joseph Smith's own experiences and revelations established the pattern for prophetic leadership within the church.

Personal Revelation

In addition to general prophetic direction, Joseph Smith taught that individuals could receive personal revelation through prayer and spiritual promptings, helping them make righteous decisions.

The Plan of Salvation

The plan of salvation, also known as the plan of happiness, is a comprehensive framework explaining humanity's purpose, pre-mortal existence, mortal life, and the afterlife. Joseph Smith's teachings clarify the steps necessary for exaltation and eternal life.

Pre-Mortal Existence

Joseph Smith introduced the concept that all human beings lived as spirits before birth and that life on earth is a probationary period to learn and grow.

The Purpose of Mortal Life

Earthly life provides opportunities for agency, growth, and testing. Choices made during mortality affect individual progression within God's plan.

Resurrection and Judgment

Joseph Smith taught that all will be resurrected and judged according to their works and desires. The plan includes degrees of glory, allowing for varying levels of eternal reward.

Key Elements of the Plan of Salvation

- Pre-mortal life
- Mortal probation
- Spirit world
- Resurrection
- Final judgment
- Degrees of glory

Priesthood Authority and Organization

Priesthood authority is a critical component of Joseph Smith's teachings, emphasizing the divine power delegated to individuals to act in God's name. He restored priesthood keys and established a structured church organization to administer gospel ordinances and lead the faithful.

Restoration of the Aaronic and Melchizedek Priesthoods

Joseph Smith taught that two distinct priesthoods were restored to him and his associates: the Aaronic Priesthood, responsible for preparatory ordinances, and the Melchizedek Priesthood, which holds higher authority.

Church Organization and Leadership

He established a hierarchical church structure including apostles, seventies, elders, bishops, and other offices to govern, teach, and serve the members effectively.

Priesthood Responsibilities

Those holding the priesthood are charged with performing sacred ordinances, teaching the gospel, and providing spiritual guidance, ensuring the church operates under divine direction.

Scriptural Contributions and Teachings

Joseph Smith contributed significantly to scriptural canon and interpretation within the Latter-day Saint tradition. His translations, revelations, and writings form a vital part of the church's doctrinal foundation.

The Book of Mormon

Joseph Smith translated the Book of Mormon, which he described as a second witness of Jesus Christ and a companion scripture to the Bible, containing the writings of ancient prophets.

The Doctrine and Covenants

This collection contains Joseph Smith's revelations and instructions, addressing church governance, doctrinal points, and personal guidance for members.

The Pearl of Great Price

Another scriptural work associated with Joseph Smith, this compilation includes translations, teachings, and historical accounts significant to Latter-day Saint doctrine.

Emphasis on Scripture Study

Joseph Smith encouraged members to study the scriptures diligently, seek personal understanding, and apply gospel principles in daily life.

Moral and Ethical Teachings

The teachings of the prophet Joseph Smith also encompass moral standards and ethical behavior essential for spiritual growth and community harmony. These teachings promote virtues such as honesty, charity, chastity, and obedience to God's commandments.

Law of Consecration and Stewardship

Joseph Smith introduced the Law of Consecration, a principle encouraging members to dedicate their time, talents, and resources to the service of others and the building of God's kingdom.

Emphasis on Family and Eternal Relationships

He taught that family relationships can be eternal through sacred ordinances, underscoring the importance of strong family values and commitments.

Personal Righteousness and Community Standards

His teachings emphasize living a clean and virtuous life, avoiding substance abuse, immorality, and dishonesty, fostering an environment of trust and respect.

Core Ethical Principles

- Integrity and honesty
- Charity and service

- Chastity and fidelity
- Obedience to divine commandments
- Humility and repentance

Frequently Asked Questions

What are the core teachings of the Prophet Joseph Smith?

The core teachings of Prophet Joseph Smith include the restoration of the gospel of Jesus Christ, the Book of Mormon as another testament of Jesus Christ, the importance of personal revelation, and the establishment of the Church of Jesus Christ of Latter-day Saints.

How did Joseph Smith teach about the nature of God?

Joseph Smith taught that God the Father, Jesus Christ, and the Holy Ghost are three distinct personages united in purpose. He emphasized that God has a physical body and that humans are literal spirit children of heavenly parents.

What is the significance of the Book of Mormon in Joseph Smith's teachings?

Joseph Smith taught that the Book of Mormon is a sacred record that complements the Bible, containing the fullness of the gospel and testifying of Jesus Christ. He claimed to have translated it by the gift and power of God.

How did Joseph Smith emphasize the role of revelation?

Joseph Smith taught that ongoing revelation is essential for guiding the church and individuals. He encouraged members to seek personal revelation through prayer and the Holy Ghost, emphasizing that God continues to communicate with His children today.

What teachings did Joseph Smith provide about the plan of salvation?

Joseph Smith taught a detailed plan of salvation that includes pre-mortal existence, mortal life as a time of testing, the Atonement of Jesus Christ for repentance and resurrection, and post-mortal opportunities for progression, including eternal families and exaltation.

Additional Resources

1. *Joseph Smith: Rough Stone Rolling*

This biography by Richard Lyman Bushman offers a comprehensive and nuanced look at the life of Joseph Smith, the founder of the Latter-day Saint movement. It explores his early years, the restoration of the gospel, and the challenges he faced throughout his life. The book provides historical context and personal insights that help readers understand Smith's teachings and legacy.

2. *The Teachings of Joseph Smith*

Compiled by Joseph Fielding Smith, this book is a collection of sermons, writings, and discourses given by Joseph Smith during his lifetime. It covers fundamental doctrines such as the nature of God, the plan of salvation, and the restoration of the priesthood. This volume serves as a key resource for those studying Smith's theological contributions.

3. *Joseph Smith's Commentary on the Bible*

This book gathers the prophet's interpretations and insights on various biblical passages that influenced his teachings. It reveals how Joseph Smith understood scripture in the light of modern revelation. Readers gain a deeper appreciation for his scriptural exegesis and how it shaped Latter-day Saint doctrine.

4. *The Words of Joseph Smith*

A carefully curated collection of quotes, letters, and speeches from Joseph Smith, this book highlights his spiritual teachings and prophetic insights. It is an accessible resource for those seeking to understand his philosophy and religious vision. The selections illustrate Smith's emphasis on revelation, faith, and community.

5. *Joseph Smith and the Restoration*

This work focuses on the pivotal events surrounding the Restoration of the Gospel, including the First Vision, the coming forth of the Book of Mormon, and the establishment of the Church. It details Joseph Smith's role as a prophet and his teachings related to the restoration of priesthood authority and ordinances. The book is valuable for understanding the foundational claims of the Latter-day Saint faith.

6. *Teachings of the Prophet Joseph Smith*

Edited by Joseph Fielding Smith, this classic volume organizes Joseph Smith's teachings by topic, making it easier to study his views on subjects such as revelation, the nature of God, and eternal marriage. It is widely used in Latter-day Saint education and personal study. The book offers direct insights from Smith's recorded discourses.

7. *Joseph Smith: Prophet of the Restoration*

This narrative biography provides an engaging overview of Joseph Smith's life and prophetic mission. It emphasizes his role in restoring the original church of Jesus Christ and includes discussions of his teachings on priesthood, scripture, and revelation. The book is suitable for readers new to Joseph Smith's story.

8. *The Doctrine and Covenants Made Simple*

While not exclusively about Joseph Smith, this book explains the revelations received by Joseph Smith and recorded in the Doctrine and Covenants. It helps readers understand the context and meaning behind the prophet's teachings as revealed through modern scripture. The book is a practical guide to Joseph Smith's ongoing revelations.

9. *Joseph Smith's Teachings on the Family*

This book explores Joseph Smith's teachings regarding marriage, families, and eternal relationships. Drawing from his sermons and revelations, it highlights the importance he placed on the family unit within God's plan. Readers interested in Latter-day Saint family doctrine will find this volume insightful and inspiring.

teachings of the prophet joseph smith: The Revised and Expanded Teachings of the Prophet Joseph Smith , 2024-12-03 For nearly a century, Teachings of the Prophet Joseph Smith, first published in 1938, was the standard source for studying the profound teachings and revelations of the founding prophet of the Restoration. Drawing on a rich collection of sermons, letters, and journal entries, Teachings provided Latter-day Saints with an accessible compilation of Joseph Smith's revelatory doctrines that highlighted his unique ability to make heavenly concepts accessible to everyday people. The Revised and Expanded Teachings of the Prophet Joseph Smith: Compared with the Earliest Known Manuscripts offers readers not only a preservation of Joseph Fielding Smith's original compilation but also a side-by-side comparison with the primary sources that it was based on. With modern scholarship shedding new light on these sources, the updated volume allows readers to explore both the Prophet Joseph Smith's revelatory insights and the historical context in which his teachings were first shared. This balanced approach honors the enduring legacy of the original Teachings while encouraging deeper exploration and understanding of their origins.

Smith Joseph Fielding Smith, 1993 In 1938, Joseph Fielding Smith and his assistants in the Church Historian's Office produced Teachings of the Prophet Joseph Smith, a valuable collection of the sermons and writings of the Prophet Joseph. The revealed truths contained in that volume have blessed the lives of countless Church members. In 1976, Dr. Robert J. Matthews of Brigham Young University greatly added to the usefulness of Teachings by expanding its subject index. Scriptural Teachings of the Prophet Joseph Smith builds on the solid foundation provided by these two editors.

teachings of the prophet joseph smith: *Teachings of the Prophet Joseph Smith - Topically Organized* Steven M. Murphy, 2022-03-25 For over fifty years I have wished I had such a book as you are now considering. I truly love the book - the original - Teachings of the Prophet Joseph Smith [TPJS] that President Joseph Fielding Smith and his staff compiled back in 1938. It has served us well as a fundamentally sound source to personally check each of us in our doctrinal understanding as a people! For a one volume authoritative work where students, teachers and leaders can quickly reference and assure themselves that they are in harmony with the head of the dispensation - it will never be outdated. For a more in depth study, the extensive multi-volume work being done by the Joseph Smith Papers staff is adding to increased accuracy of the TPJS and is filling in the gaps of understanding found in the History of the Church by B. H. Roberts but, realistically, I doubt if but a small percentage of the Church will ever really use the Papers - much less use it very extensively. To be sure the more scholarly will and are but probably not most teachers, leaders and general students of the Gospel - often just as a factor of the lack of time. The downside of the TPJS has been, as you know, it is hard to find quotes in the TPJS - those juicy morsels for essays, talks and lessons as the current index is quite inadequate. So, I decided to publish my own TPJS and to topically organize it; not just a meagerly focused index but actual sentences and verbatim paragraphs which convey in-depth insights and demonstrate the doctrinal development of this great Prophet's heaven revealed teachings. In this volume there are over 350 topic categories chronologically copied word-for-word from the 1938 version. I would not claim this work to be absolutely comprehensive but it is quite thorough as the many topics overlap extensively - many, many times. Each topic becomes, as it were, a window into the Prophet's teachings giving us multiple perspectives and depth of perception granting us much inspired understanding.

teachings of the prophet joseph smith: Index and Concordance to Teachings of the Prophet Joseph Smith , 1967

teachings of the prophet joseph smith: Joseph Smith's Teachings Joseph Smith, Edwin F. Parry, 2017-09-10 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

teachings of the prophet joseph smith: The Gospel in Principle and Practice Church of Jesus Christ of Latter-day Saints. Department of Seminaries and Institutes of Religion, 1971

teachings of the prophet joseph smith: New Testament Study Guide, Pt. 3 Randal S. Chase, 2010-12-08 New Testament Study Guide, Pt. 3: The Epistles & the Book of Revelation. This volume is the third of three on the New Testament. An unusually large volume, it covers most of the Book of Acts, the New Testament epistles, and the Book of Revelation. We read of Saul's conversion and then follow him as the Apostle Paul as he takes his five major journeys throughout the Mediterranean area. The book of Acts provides the historical context to his journeys. Along the way, we read his teachings in his 14 marvelous epistles to early Church members. Eventually, we follow Paul to Rome where he was martyred for the cause of Christ. This volume also covers the epistles of James, Peter, John, and Jude. And finally, we read the Book of Revelation? John's apocalyptic messages written while he was on the Isle of Patmos. The cover features a classic painting of ?St. Paul at His Writing Desk,? painted by Rembrandt in 1692.
